

# Regional Bus Staging, Layover, and Parking Location Study

DRAFT Scope of Work for Regional Bus  
Subcommittee Review

September 24, 2013

# Focus on PM Staging

## Focus

- Staging (< 15 min), vs. layover (hours, all-day)

## Background Data Needed

- Where do buses park now, or circle the block?
- What corridors / routes do buses use and where do they encounter congestion?
  - Evaluate using INRIX data
- Where do commuter bus riders actually go? (Destination)
  - Major buildings, metro or local bus?

# Options

## Options

- Metered Bus Parking locations
  - Combine with commercial vehicle loading zones?
- Major commercial vehicle parking facility
  - e.g., DHS/Anacostia
  - Joint Development opportunities?
    - E.g., Friendship Heights station

## Other

- Long-term commuter bus growth?
- Mega-project mitigation?
- Emergency Evacuation?
