

CHESAPEAKE BAY AND WATER RESOURCES POLICY COMMITTEE MEMBER BRIEFING

February 7, 12:00-2:00 p.m. | Metropolitan Washington Council of Governments

777 North Capitol Street, N.E., Washington DC, 20002

Chesapeake Bay and Water Resources Policy Committee (CBPC) Chair, Libby Garvey, invites you to a special briefing luncheon for Committee members - new and those wanting an update. This will be an informal luncheon to learn more about the key water issues being addressed by the Committee and its technical committee, and how these issues can translate into policy actions that you can take as a CBPC member.

Issues to be discussed could include the status of the Chesapeake Bay TMDL Mid-Point Assessment, stormwater management, and drinking water systems resiliency, to name a few. Please let us know which water issues are of greatest interest to you, or which aspects you have questions about, so that we can be sure to address your needs.

Please RSVP to Heidi Bonnaffon at hbonnaffon@mwkog.org or 202-962-3216 by Friday, February 2, 2018.
