

CLIMATE, ENERGY, AND ENVIRONMENT POLICY COMMITTEE (CEEPC)

April 4th, 2019

Washington Auto Show
Washington Convention Center
801 Mt Vernon PI NW, Washington, DC 20001
Room #207B

Chair: Dan Sze, City of Falls Church

DRAFT AGENDA

NOON

LUNCH BEGINS

12:15 P.M.

1. WELCOMING REMARKS AND LUNCHTIME SPEAKER

*Dan Sze, CEEPC Chair
Mike Kurzeja, EZ-EV*

Chair Dan Sze will open the meeting and introduce the lunchtime keynote speaker, Michael Kurzeja. Mr. Kurzeja will share lessons learned on the electric vehicle (EV) adoption and the consumer experience. EZ-EV provides education and information to customers, dealerships and utilities to make the transition to EVs easier.

12:45 P.M.

2. INDUSTRY-GOVERNMENT EV INFRASTRUCTURE ROUNDTABLE

Facilitated by: *Kevin Bryan, Keystone Policy Center*

Industry Experts: Walter McLeod, Global Energy and Innovation Institute; Jimmy Ellis, Chargepoint; Tony Rediger, EVGo; Nick Zabriskie, Uber; Corey Ershow, Lyft; Divesh Gupta, BGE; Patrick Bean, Tesla

Leadership Support: Ira Dorfman, Greater Washington Clean Cities Coalition; Michelle Klassen, Advanced Energy Regional Task Force; Dylan Tucker, NASEO; Marcy Rood, Argonne National Labs; Bonnie Norman, Montgomery County Green Bank Board.

Industry experts and local government representatives are invited to discuss the challenges and opportunities with EV infrastructure deployment in metropolitan Washington. The discussion will focus on developing a better understanding of the factors driving or restricting more rapid EV market development, including business case for DC Fast Chargers, real-estate acquisition, zoning/permitting

Reasonable accommodations are provided upon request, including alternative formats of meeting materials.
Visit www.mwco.org/accommodations or call (202) 962-3300 or (202) 962-3213 (TDD).

and other site development challenges affecting infrastructure deployment by the private sector.

Participants will be asked to identify and catalog priority near-term actions that local governments and others can take to enhance EV market development through strategic support for infrastructure deployment in their communities.

2:15 P.M. 3. ELECTRIC VEHICLE TRACK EXPERIENCE

Michael Kurzeja, EZ-EV

This all-new Experience, presented by EZ-EV and Exelon, will debut at the 2019 Washington Auto Show. Mr. Kurzeja will provide participants with a private tour and access to the indoor electric vehicle track. Vehicles will be available to ride in around the indoor track and outside. At 2:15 p.m. we will break and make our way downstairs to the track on the lower level of the convention center and start the tour promptly at 2:30 p.m.

****OPTIONAL** AUTO SHOW SNEAK PEAK AND RECEPTION AT 5 P.M.**

Participants have full access to the Auto Show floor prior to the Auto Show opening to the public. Participants are welcome to stay to explore at their leisure and enjoy the Policy Day Reception that starts at 5pm.

The next CEEPC meeting is scheduled for May 22, 2019 at 10am in the COG Board Room.
