The FY 2010-2015 Transportation Improvement Program (TIP) is being released at this meeting to begin the 30-day public comment period.

- The Long Range Plan and the TIP Cycle
- Financial Analysis
- Programming and Progress of Selected Projects

7. 6:40 **Question and Answer Period**

Representatives from the three DOTs and WMATA will be available to respond to general questions when possible. The TIP contains a large number of projects, so representatives may not be able to answer project-specific questions. All questions and comments will be recorded as a part of the official comment period on the TIP and responded to at the close of the comment period.
