## SAVE MONEY ON YOUR COMMUTE

If you take any form of public transportation (subway, train, bus, or ferry), you may be eligible to save hundreds of dollars per year! Pre-tax commuter benefits allow you to set aside money from your paycheck to pay for transit, even for rides outside of your commute. Our calculator will also try to find a monthly pass that saves you even more.

## YOUR STEPS TO TRANSIT SAVINGS

- Use the \$81 [Monthly Unlimited Pass \(fare value \\$2.25\)](#), instead of paying separately for each trip
- If possible, purchase this pass directly through your company's HR system; otherwise, set your monthly commuter benefit to \$81 in the HR system, and then purchase this pass on your own

- If possible, purchase this pass directly through your company's HR system; otherwise, set your monthly commuter benefit to \$81 in the HR system, and then purchase this pass on your own

By following this advice, you'll save \$410 or more each year (\$180 from using a monthly transit pass, plus \$230 or more from decreased income taxes).

Furthermore, using this transit pass, you're eligible for unlimited additional rides using the transit options you selected.
