

COMMUTER CONNECTIONS

FY2016 Employer Outreach Training

Sessions and Schedule

1. September 2015 – Survey Training

This half-day session will assist Employer Outreach representatives with tips on successful surveying and how survey fits into regional evaluation criteria.

2. December 2015 – Persuasive Presentation

This half-day session will focus on how Employer Outreach representatives can improve the quality, delivery, and impact of participant's briefings and presentations to employer representatives making decisions on starting or expanding employer based TDM programs and strategies.

3. March 2016 – Bike/Pedestrian training for Employers

This full day session will focus on how to assist employers to implement or expand bike/ped programs at their worksite.

4. June 2016 – Meeting Management

This full day session will focus on assisting participants to understand and utilize a meeting facilitation model and familiarize participants with competencies of first-class meeting facilitation.
