DESCRIPTION

The project abstract form is for applicants seeking technical assistance through the National Capital Region Transportation Planning Board's TLC program or a from ULI-Washington's Technical Assistance Panels. Project abstracts are not a requirement for either program, but potential applicants are strongly encouraged to provide an abstract. COG/TPB staff will review the abstracts and provide applicants with feedback toward final application submissions for either program.

For more information about both programs, click [TLC](#) and [ULI-TAP](#)
