Draft Round 8.1 Cooperative Forecast Analysis and Preliminary Schedule for Round 8.2

10:30 a.m. – 10:40 a.m.

Greg Goodwin, COG/DCPS Staff

Members of the Cooperative Forecasting and Data Subcommittee were briefed at their last meeting regarding the planning for the next update to the Cooperative Forecasts – Round 8.2. As with prior updates, jurisdictions are not required to update their forecasts. However, due to the likely TPB Air Quality Conformity Analysis schedule, the Planning Directors will be asked to take final action on Round 8.2 jurisdictional control totals at the January, 2013 meeting, with TAZ forecasts due by the beginning of February. Mr. Goodwin will brief the PDTAC of a proposed schedule for Round 8.2.

Activity Centers Update

10:45 a.m. – 11:45 a.m.

COG Staff, Committee Members

During the last few months, COG staff has been working with local planning departments to identify Activity Centers based upon comprehensive plans and a mix of local and regional attributes. Committee members will discuss the Activity Center Menu and review an initial draft regional map of the identified Centers in advance of the April 27 Region Forward Coalition meeting. Key questions for the Committee to consider include: the proper location and identification of the Centers; identification of multi-jurisdictional Centers; a naming convention for groupings of adjacent Centers; and additional elements (transportation facilities, environmental layers, other?) to be considered.

Committee Member Roundtable Discussion

11:45 a.m. – 11:55 a.m.

Committee Members

Committee members will discuss emerging issues in their jurisdictions or recommend topics that they would like the PDTAC to address during upcoming meetings.
