

**Metropolitan Washington Council of Governments
Climate and Energy Leadership Awards Program
2019 OUTREACH PARTNER KIT**

EMAIL COPY (Please send with program overview attached)

[Greeting],

Government agencies, non-governmental organizations, and educational institutions from across metropolitan Washington are invited to apply or nominate candidates for the 2019 Climate and Energy Leadership Awards offered by the Metropolitan Washington Council of Governments (COG). Winners serve as a role model for the region, and are recognized in front of local, regional, and national officials for their innovative climate stewardship projects and programs that engage and serve the region's underserved communities. Visit www.mwco.org/climateawards for more information. Application period is open April 22 – June 28, 2019.

Headline: A Call for Climate Action and Recognition

The Metropolitan Washington Council of Governments (COG) is looking for nominations and candidates for the 2019 Climate and Energy Leadership Awards. Is your government agency, non-governmental organization, or school taking an innovative approach to engaging the community around sustainability initiatives? Visit www.mwco.org/climateawards for more information. Winners are recognized in front of local, regional, and national officials at COG, an excellent opportunity for showcasing their innovative achievements and best practices.
