

Draft Complete Streets Survey

Bike/Ped Subcommittee Meeting

7/17/2012

Item 6

(Cover e-mail explaining the regional Complete Streets policy and the purpose of this survey. An electronic survey instrument such as SurveyMonkey will be used.)

Survey Questions

1. Does your jurisdiction have a Complete Streets Policy? See the following link for an explanation of what constitutes a Complete Streets Policy.
Yes/No/Partial.
2. If your jurisdiction does not have an adopted policy, do you have one under development? If no, end survey. If yes, what is the estimated date of adoption?
3. What is the name of the policy?
4. What jurisdiction does the policy cover?
5. What is the origin of the policy? Choose all that apply.
 - a. State Legislation
 - b. City/Council Resolution/Ordinance
 - c. Internal DOT guidance or directive
 - d. Part of City/County Plan
 - e. Part of adopted design manual
 - f. Other _____
6. When was the policy adopted?
7. Is this policy posted on line? If so, please provide the link or links. _____
8. Was there a press release on its adoption/implementation, and where can a copy be obtained?
9. Were any of the provisions of the TPB's regional Complete Streets policy template used as a model for your jurisdiction's policy?
10. If not available on the internet, can you provide a one paragraph summary of the policy?

11. What are the exceptions allowed in the policy? Please check all that apply.

- Excessive Cost
- Absence of need
- Insufficient right of way
- Conflict with local plans
- Grandfathered
- User group prohibited by law
- Environmental
- Historic Preservation
- Other _____

12. Must exceptions be formally justified? Yes/No

13. Is the policy being successfully implemented? Yes/No/Partial

14. What issues have been hampering implementation?

15. What measures have been taken to ensure implementation of the policy? Describe:

16. Are there quantifiable performance measures? Yes/No

17. If so, can you provide some of those statistics?

18. Have advocates been involved in implementation? Yes/No

19. Were advocates involved in getting the policy adopted? Yes/No

20. Has there been any significant opposition to implementing the policy? Yes/No

21. Who has been objecting? What have been some of the opponent's objections?

22. Is there anything else you would like to add?
