777 NORTH CAPITOL STREET, NE
WASHINGTON, DC 20002**

RESOLUTION DIRECTING COG TO FURTHER EXPLORE ADDRESSING THE REGION'S HOUSING NEEDS

WHEREAS, the Metropolitan Washington Council of Governments (COG) is comprised of the 24 jurisdictions of the National Capital Region's local governments and their governing officials, plus area members of the Maryland and Virginia legislatures and the U.S. Senate and House of Representatives, and COG provides a focus for action on issues of regional concern; and

WHEREAS, the Transportation Planning Board Chairman briefed the COG Board in April 2018 on the endorsed initiatives of the Long-Range Plan Task Force (LRPTF) that were found to have the most potential to significantly improve the performance of the region's transportation system compared to current plans and programs, including the need for additional housing in the region; and

WHEREAS, at the COG Leadership Retreat in July 2018 the Board engaged in discussions on the region's current housing production challenges, housing affordability, and the potential need for additional housing in the future to support likely new job growth; and

WHEREAS, retreat participants generally agreed that housing production is a regional challenge that needs to be addressed to ensure that the growth of jobs does not continue to outpace the growth of housing.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN WASHINGTON COUNCIL OF GOVERNMENTS THAT:

The board supports additional research to address the increasing demand for housing in the region and directs the Executive Director, or his designee, to work with the following committees and boards on the below next steps:

- a. Direct the Planning Directors Technical Advisory Committee (PDTAC), and the Housing Directors Advisory Committee (HDAC), to assess the region's ability to accommodate the estimated need for slightly more than 100,000 housing units beyond those currently anticipated in the Cooperative Forecasts with a focus on affordable and work force housing regionally.
- b. Building on the adopted Region Forward goals and targets, the PDTAC should examine the optimal incentives for adding additional housing, with an emphasis on preservation and production within the Regional Activity Centers and around high capacity transit stations and work to update future Cooperative Forecasts as needed.
- c. Direct that the PDTAC and HDAC work with the Region Forward Coalition, and key regional business, civic, and philanthropic organizations to assess ways to assist local governments with meeting the enhanced housing production targets while ensuring that future growth creates truly inclusive communities.

- d. The PDTAC should also include an assessment of factors or impediments to adding more housing units such as lack of critical public infrastructure (transportation, schools, water and sewer).
- e. Reaffirm the work underway within PDTAC to identify current local government planning efforts that support the initiatives of the TPB Long-Range Plan Task Force.

I HEREBY CERTIFY THAT the foregoing resolution was adopted by the COG Board of Directors on September 12, 2018.
