

## DESCRIPTION

Submission of an abstract provides potential applicants with an opportunity to receive early feedback on a proposal they are considering developing for an application to the Transportation Planning Board's TLC Program. Project abstracts are not a requirement, but potential applicants are strongly encouraged to submit them. COG/TPB staff will review the abstracts and provide feedback approximately one week after the abstract is submitted. For more information, see [mwkog.org/tlc](http://mwkog.org/tlc).
