

# Survey Application Update

Employer Outreach Committee

April 17<sup>th</sup>, 2018

# Summary of Updates

- Filtering of pre-2006 and post 2006 surveys
- Additional options for jurisdiction specific surveys
- Additional tables summarizing frequent employee origin zip codes
- Interest in alternative commuting options
- Survey results have been streamlined into more summary
- Cross-tabs that display distance to work options for reports

# Future projects and Enhancements

1. Updated AVO Calculations (will be uploaded on the next go-around)
2. Map package that uses ACT database information with overlays with other employer information, activity centers, and rail centers
3. A web map linked to commuter connections website
