

Human Services Coalition of Prince George's County

Human Services Coalition of Prince George's County is a growing network of organizations and individuals working to improve the quality of life for people in need who live in Prince George's County, Maryland.

HSC members include public entities, private nonprofits, for-profit partners, and community supporters. Collectively, we strive to optimize our ability to operate effectively and to deliver valuable services with the intent of remedying conditions that cause human suffering in our community.

Our current agenda is directed toward building nonprofit capacity, promoting collaboration, securing an array of funding, creating affordable housing, developing workforce, being data driven, guiding public policy, and responding to the needs of recent immigrants.

What We Do

- Establish and maintain a forum to link all human service providers, interested organizations and individuals to forge an approach to improving the quality of life of our citizens in need.
- Serve as an integrated Information Clearing House where sharing mutually relevant information builds collaboration and effective tactics that encourage sustainable quality of life improvements in the county.
- Develop and promote professional training, workshops, seminars and conferences that allow members opportunity for information sharing, networking and program promotion.
- Advocate and collaborate at the local, state, and federal level impacting Prince George's County communities and the region.
