# CONNECTED AND AUTONOMOUS VEHICLES TECHNICAL FORUM/WORKSHOP #1

Tuesday, March 31, 2020

9:30 A.M. to 2:30 P.M.

Walter A. Scheiber Board Room

Metropolitan Washington Council of Governments

777 North Capitol Street, N.E., Washington, D.C. 20002

**WHAT:** This will be the first in a series of three events to kick off discussion Connected and Autonomous Vehicles' impacts on the Transportation Planning Board's and member agencies' long-range transportation planning activities.

**WHO:** Target participants are TPB member agency and committee personnel involved in or with an interest in the topic. (All are welcome, but the technical workshops will be practitioner-focused events. The June 17 event noted below will be oriented to TPB member elected officials.)

**AGENDA:** To be announced, but will include subject matter expert panel discussions and breakout groups, to prioritize related topics for future TPB activities.

**REGISTRATION:** The March 31 forum will be free of charge, but participants must register in advance at [www.mwcog.org/cavforum](http://www.mwcog.org/cavforum). Space is limited. (Registration for the May and June events will be opened at a later date.)
