FINAL AGENDA

- 10:00 A.M. 1. CALL TO ORDER AND INTRODUCTIONS**
Dawn Ashbacher, Frederick County Manager, Department of Climate & Energy and BEEAC Chair
- 10:05 A.M. 2. APPROVAL OF THE BEEAC JUNE 16, 2022 MEETING SUMMARY**
Dawn Ashbacher, BEEAC Chair
- 10:10 A.M. 3. BACKGROUND ON BEEAC AND MWAQC-TAC JOINT MEETING**
Tim Masters, COG Environmental Programs

Tim Masters will provide a brief overview of MWAQC-TAC's interest in Building Energy Efficiency Measures in relation to the National Ambient Air Quality Standards (NAAQS), as well as provide background on energy efficiency tools of interest to BEEAC.

- 10:25 A.M. 4. OVERVIEW OF THE DISTRICT OF COLUMBIA'S BUILDING ENERGY PERFORMANCE STANDARD (BEPS)**
Cristine Gibney, District of Columbia
Joseph Jakuta, District of Columbia

The District's Building Energy Performance Standard (BEPS) Program was set forth the Clean Energy DC Omnibus Act of 2018. The BEPS was created to help meet the energy and climate goals of the Sustainable DC plan – to reduce greenhouse gas emissions and energy consumption by 50% by 2032. Cristine Gibney will provide an overview the District's BEPS, as well as the energy efficiency and emissions benefits. Joseph Jakuta will provide an overview of the clean air benefits that can be realized from these types of building energy efficiency measures.

10:45 A.M. 5. OVERVIEW OF THE MONTGOMERY COUNTY'S BUILDING PERFORMANCE STANDARD (BPS)

Emily Curley, Montgomery County

In 2022, Montgomery County joined forces with state and local governments across the country in the White House Council on Environmental Quality's National Building Performance Standard (BPS) Coalition. Through the coalition, Montgomery County commits to increase community and local stakeholder engagement to co-design BPS and complementary policies and programs with the goal of adopting BPS programs by Earth Day 2024. Emily Curley will provide an overview of Montgomery County's work in this area, as well as a brief overview of the statewide BEPS.

11:05 A.M. 6. FACILITATED DISCUSSION ON BEPS AND THEIR IMPACT ON GHG EMISSIONS AND AIR QUALITY

Tim Masters, COG Environmental Programs

Tim Masters will facilitate a discussion focused on BEPS with BEEAC and MWAQC-TAC members.
