Northern Virginia Eviction Prevention & Housing Stability Toolkit

NVAHA Eviction Prevention Program

Northern Virginia Eviction Prevention & Housing Stability Toolkit **TENANT SUPPLEMENT**

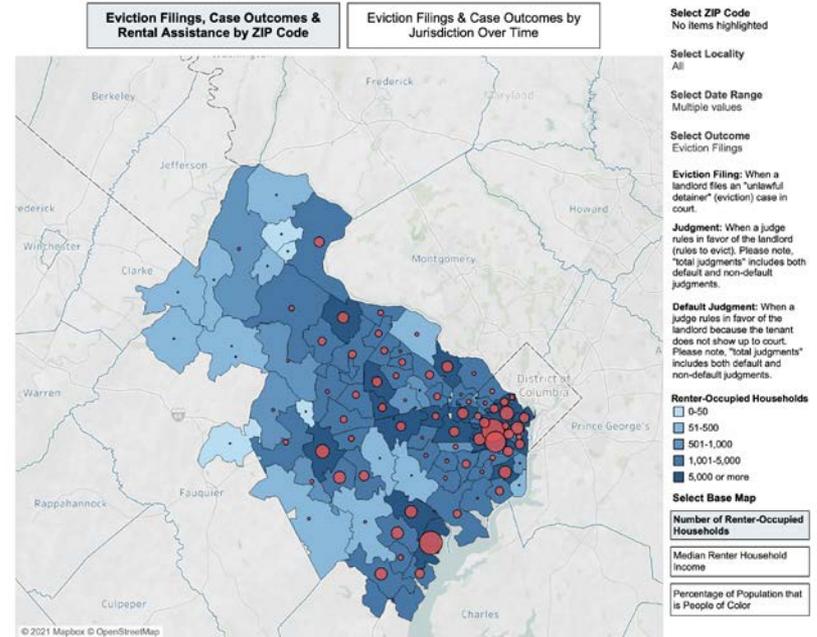

- Approach:
 - Cross-jurisdiction & cross-sector engagement
- Goals:
 - Encourage regional adoption of best practices
 - Identify & promote solutions that meet the needs of all stakeholders
 - Advocate for “eviction last” policies

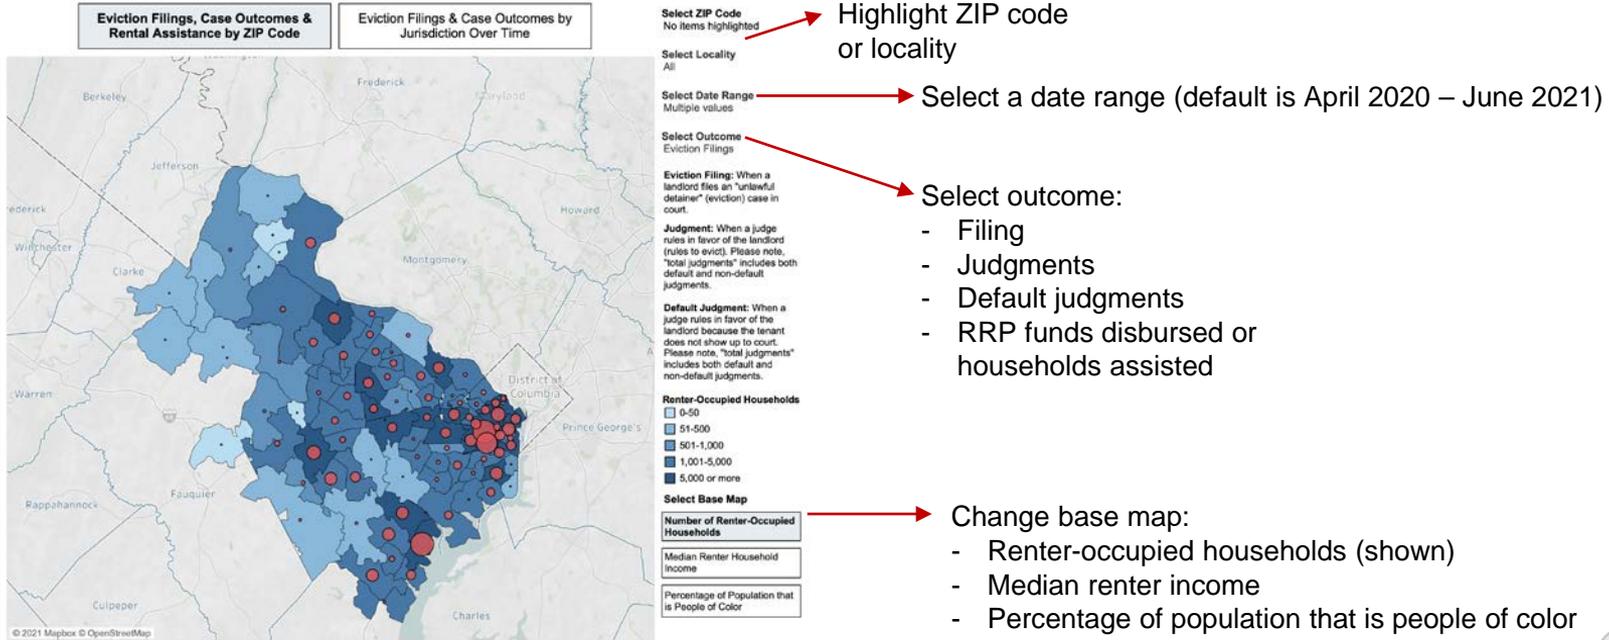

Eviction Prevention & Rental Assistance Dashboard

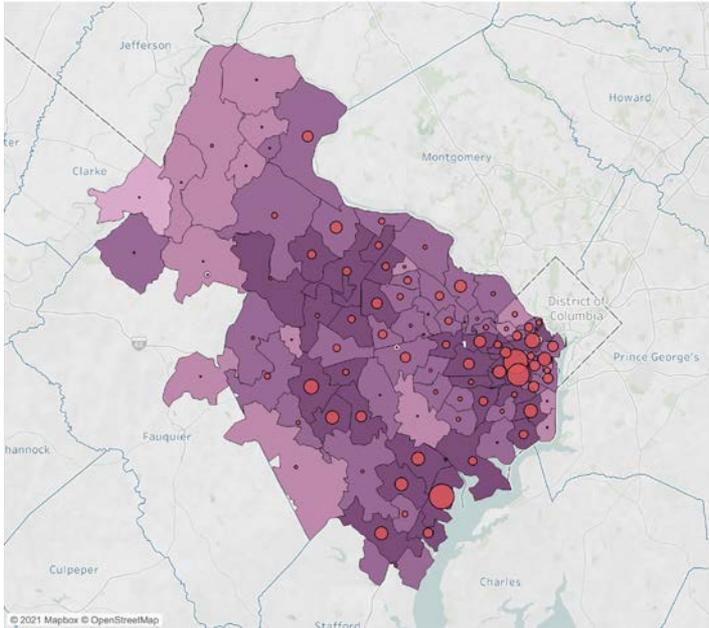

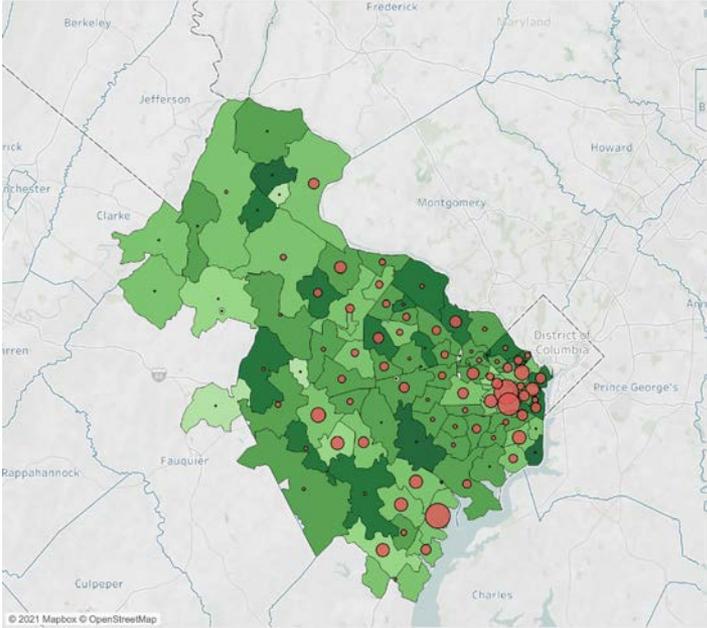

- Goals:
 - Facilitate cross-jurisdiction comparison
 - Incorporate supplemental data
- Target Audience:
 - Non-profit human service providers
 - Local government staff

Eviction Prevention & Rental Assistance Dashboard: Timeline

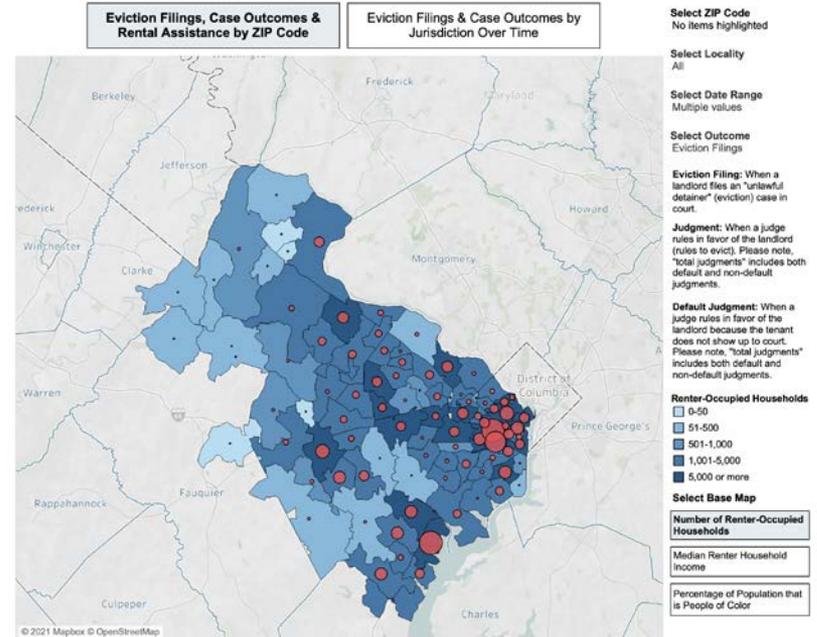

Eviction Prevention & Rental Assistance Dashboard: Timeline

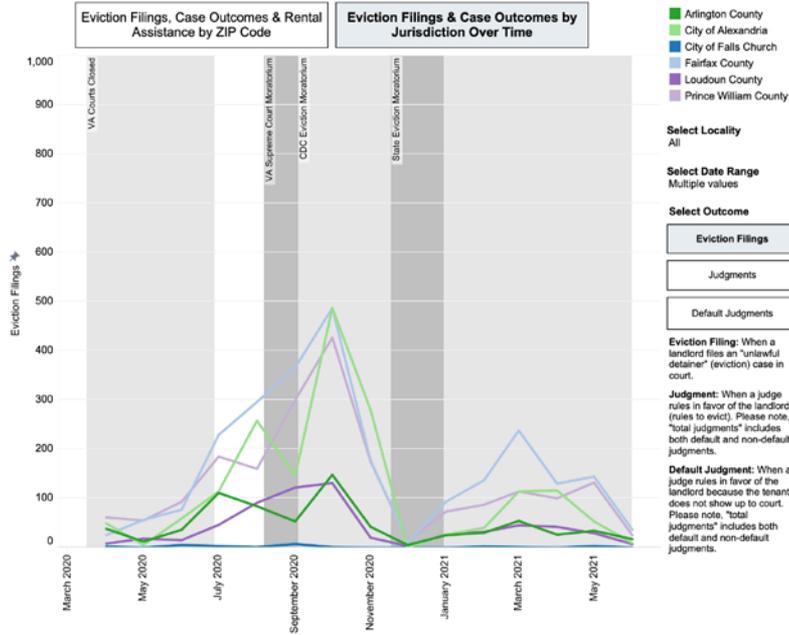

Eviction Prevention & Rental Assistance Dashboard

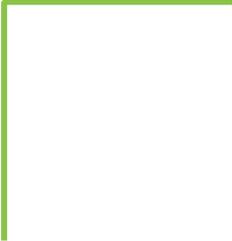

- Challenges:
 - Combining multiple data sources
 - No standard process for collecting, cleaning or publishing eviction data
 - Incorporating multiple data sources while maintaining accessibility

Eviction Prevention & Rental Assistance Dashboard

- Next steps:
 - Continue quarterly updates of eviction and rental assistance data
 - Add data on land use and housing stock characteristics

Thank You!
