

2010 NATIONAL CAPITAL REGION FREIGHT PLAN

*** UPDATE ***

Freight Subcommittee Meeting

May 6, 2010

1. Complete Draft National Capital Region Freight Plan 2010 distributed at the May 6, 2010 Freight Subcommittee. Also available at the following link:
<http://www.mwcog.org/uploads/committee-documents/Z15ZW5W20100505172125.pdf>
2. TPB freight staff received handful of comments on the list of projects. Don't see future significant changes to the list of projects, continue to comment until May 24. The prioritization of projects and development of the Top 10 list of projects will take place after the Freight Plan is approved by TPB. We don't want to rush the process.
3. TPB freight staff working to improve document areas:
 - a. Improve Truck Map
 - b. Research truck emissions standards
 - c. Research case studies of public-private-partnerships
 - d. Review congestion literature for references to costs passed onto consumer
 - e. Add sidebars of information and graphics
4. National Capital Region Freight Plan 2010 schedule with the Transportation Planning Board:
 - a. TPB Technical Committee review on June 4
 - b. TPB Technical Committee comment on July 2
 - c. Presentation to TPB on July 21
5. Please reply with final comments by May 24, 2010 to Karin Foster.

Please submit your comments by May 24, 2010 and/or questions to COG/TPB staff Karin Foster at kfoster@mwkog.org, 202-962-3206 (Phone), or 202-962-3202 (Fax)
