

# Air Quality Town Meeting

October 19, 2006 ■ 5 pm – 7 pm

777 North Capitol Street, 3<sup>rd</sup> Floor Boardroom

## What can the Washington Region do to clean the air?

On October 19<sup>th</sup>, the Air Quality Public Advisory Committee is hosting a meeting about air quality in the metropolitan Washington region. The purpose of the meeting is to discuss ways to improve the region's air quality.

At this town hall meeting, you can:

- Learn about proposed programs to clean the air
- Ask the experts your questions
- Suggest ideas for making the air healthier for everyone.

**Who should attend ?** Residents, commuters, athletes, parents of asthmatic children, people interested in cleaner air

**Panelists** include: American Lung Association of Virginia, experts in electrical energy, energy efficiency, transportation planning, and air quality planning.
