

Transportation/Land-Use Connections Program

FY 2012 Project Recommendations

July 20, 2011

Sarah Crawford

Department of Transportation Planning

TLC Program Background

The TLC Program was designed to support key strategies in the TPB's Regional Mobility and Accessibility Scenario Study and promote implementation of TPB Vision goals

The TLC Program began in November 2006 with two components:

- Regional Clearinghouse
- Technical Assistance Program

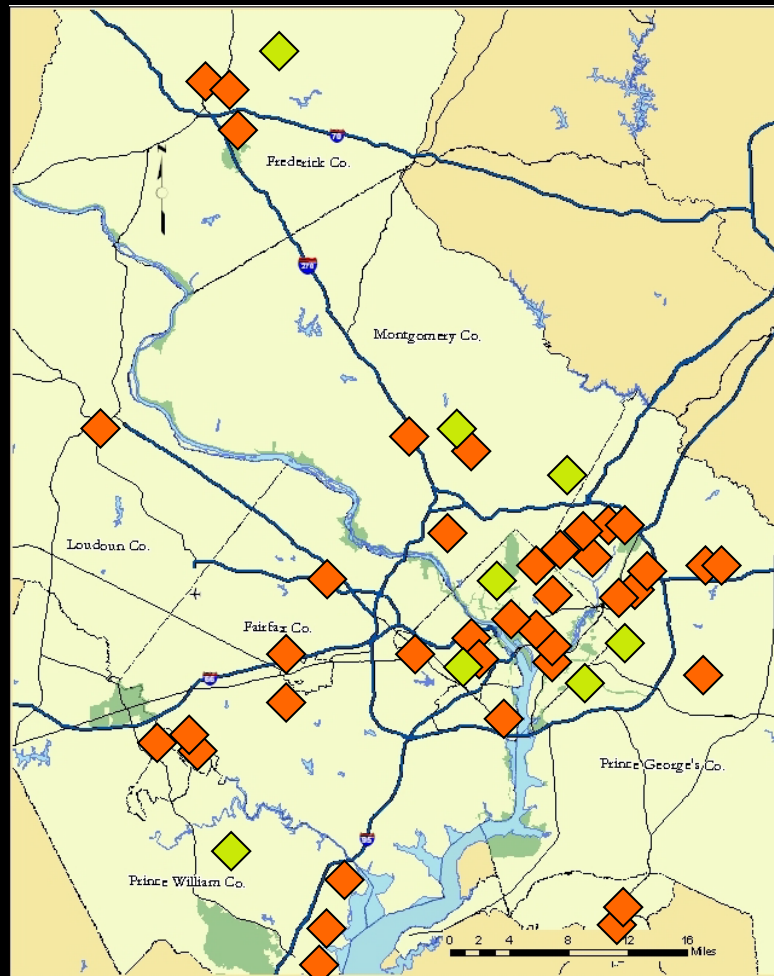

TLC Technical Assistance Summary

48 Technical Assistance Projects funded at \$1,350,000 :

- 7 in the District
- 24 in Maryland
- 16 in Virginia
- 1 Region-wide

Projects address common challenges:

- Bike/Ped Issues
- Complete Streets
- Transit Access
- TOD / Mixed Use Development
- Freight

FY 2012 Available Funding

- The TPB will provide **\$220,000** for TLC technical assistance projects reflecting regional diversity and studying a variety of topics
- The Maryland Department of Transportation (MDOT) will commit **\$130,000** in TPB Technical Assistance funding for projects in Maryland
 - MDOT has expressed interest in funding projects that focus on Transit-Oriented Development

FY 2012 Project Solicitation

Project Solicitation

- March 1 – May 18, 2011
 - New Abstract Process – received nine abstracts by March 31

Application Summary

- The TPB received 15 applications from 11 jurisdictions (\$705,000):
 - 3 applications from the District of Columbia (\$150,000)
 - 6 applications from Maryland jurisdictions* (\$235,000)
 - 6 applications from Virginia jurisdictions (\$320,000)

* Including one multi-state application submitted by Prince George's County
