### Establishing a Baseline: Federal

### Federal and Regional Evaluation

#### **Federal**

### **Scenarios**

The National Planning Scenarios illustrate the range of major events that pose the greatest risk to the Nation.

- 15 Scenarios
- Chemical, Biological, Radiological, Nuclear, Explosive, Agricultural and Cyber Terrorism
- Natural Disasters
- Pandemic Influenza

#### Federal

### Capabilities

The Target Capabilities
List (TCL) provides
guidance on specific
capabilities and levels of
capability that Federal,
State, local, and tribal
entities will be expected
to develop and maintain.

#### Regional

### **Evaluation**

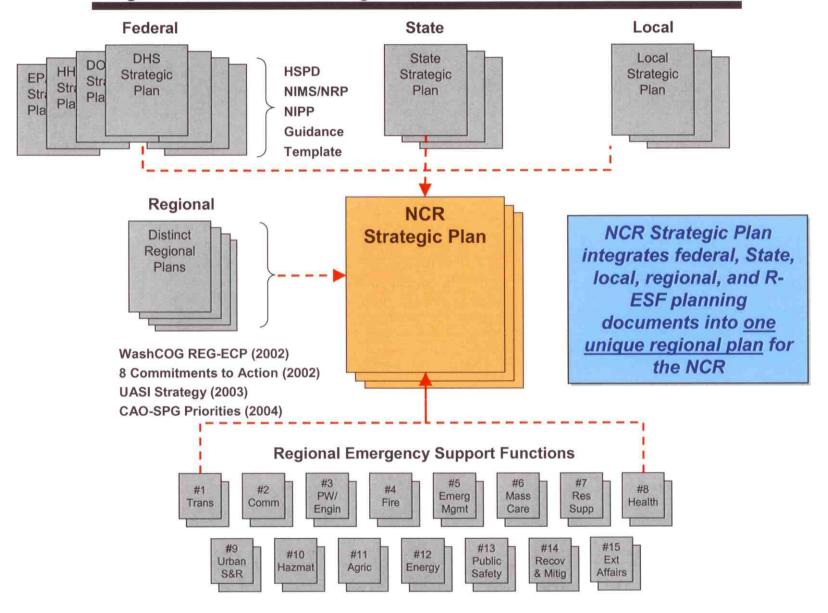

The Emergency
Management Accreditation
Program (EMAP) provides 58
standards for state and local
governments' emergency
management plans and
programs

- 36 Capability Summaries
- Description, Outcome, ESF/Annex, Associated Critical Tasks, Measures, Capability Elements, Linked Capabilities, Event Conditions, References
- Tailored to levels of government based on assigned roles and responsibilities
- Tailored to Tiers or groups of jurisdictions based on risk factors

- Entities select only the tasks that apply to their assigned roles and responsibilities
- Prevention
- Protection
- Response
- Recovery

### **Current Strategic Planning Approach**

Integrated/Collaborative Planning Framework

# Regional ESFs have been re-aligned to the new national framework

Existing RESFs (from FRP)
1. Transportation
2. Communications Infrastructure
3. Public Works & Engineering
4. FEMS (Fire and EMS)
5. Information and Planning
6. Mass Care
7. Resource Support
8. Health & Medical Services
9. Urban Search & Rescue
10. Hazardous Materials
11. Food
12. Energy
13. Law Enforcement
14. Media Relations & Outreach
15. Donations & Volunteer Management

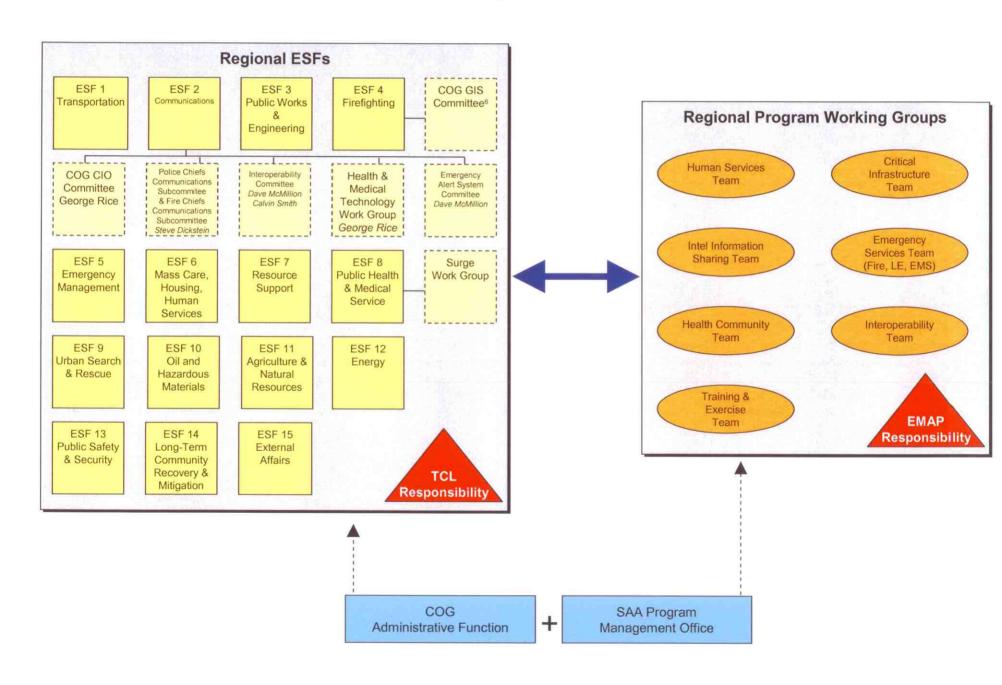

New RESFs (from NRP)							
1. Transportation							
2. Communications Infrastructure							
3. Public Works & Engineering							
4. Firefighting							
9. Urban Search & Rescue							
10. Oil & Hazardous Materials							
5. Emergency Management							
6. Mass Care, Housing, Human Services							
7. Resource Support							
8. Public Health & Medical Services							
11. Agriculture & Natural Resources							
12. Energy							
13. Public Safety & Security							
14. Long-Term Community Recovery & Mitigation							

Additional Annexes?

Annex. Donations & Volunteer Management

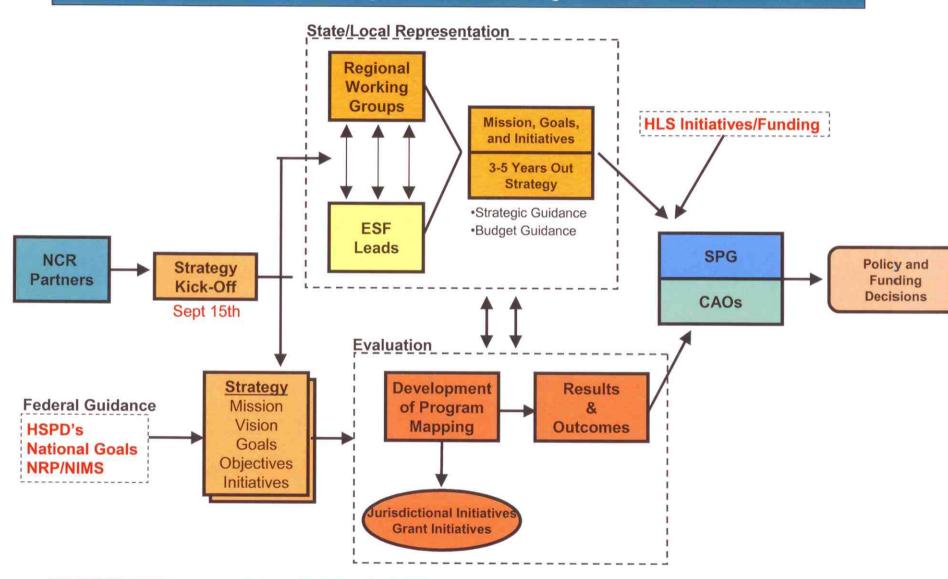

15. External Affairs
