3. Last week, how did you get <u>TO</u> work each day? For each day you <u>worked at your regular work location</u>, check the box in Section A, "How I traveled to work" for the type of transportation you used that day. If you more than one type on any day, e.g., you walked to a bus stop then rode the bus, check ONLY the box for the type you used for the longest distance part of your trip.

For each day you <u>did not work</u> or <u>did not work at this location</u>, check one box in Section B, "Why I was not at my regular work location." For any day you are not scheduled to work (e.g., Sunday), check "Regular day off."
