c. Briefing on the Initiation of the Metropolitan Area Transportation Operations Coordination (MATOC) Program Website and the National Capital Region Web Portal

Andrew Meese, COG/TPB Staff

MOITS will be briefed on two recently initiated websites that help address recommendations of the post-January 26 COG Incident Management and Response (IMR) Steering Committee. The first is the MATOC public website, available by visiting www.matoc.org and selecting the "Traveler Information" tab. This website makes publicly available real-time transportation information from the Regional Integrated Transportation Information System (RITIS) site demonstrated at a previous meeting. The second is the National Capital Region Web Portal at www.CapitalRegionUpdates.gov, developed by the region's public information officers (PIOs), aiding communications with the public during weather events and other emergencies.

3. 1:00 PM **Status Report on the Regional Survey on Traffic Signal Power Backup Systems, and Other Follow-Up Items to the COG for Incident Management and Response (IMR) Action Plan**

Andrew Meese, COG/TPB Staff

MOITS will be briefed on the status of the signals survey undertaken as a follow-up to recommendations to the COG IMR Action Plan; on discussions by the MOITS Traffic Signals Subcommittee at its February 9 meeting; as well as on other follow-up items.

4. 1:20 PM **Update on the Congestion Management Process (CMP)**

a. Request for Information Updates for the 2012 CMP Technical Report

Erin Morrow, COG/TPB

Ms. Morrow will present a memo requesting updates on local jurisdictional travel demand strategies for the 2012 CMP Technical Report.

b. Update on the Congestion Dashboard

Wenjing Pu, COG/TPB

Mr. Pu will provide an update to MOITS on the draft Regional Congestion Report "dashboard" under development, including the beta on-line posting of the dashboard.
