

GWRC Electrification Initiatives MEEP & MEAP

By Antoine M. Thompson, Executive Director

December 2022

About GWRCCC

>> A public-private partnership of the Washington, DC metro Area promoting the use of clean, American transportation fuels for homeland security, improved air quality and environmental justice.

>> Since its inception in 1993, Clean Cities and its stakeholders across the country have displaced more than 12 billion gallons of petroleum.

Mid-Atlantic Electrification Partnership

MAEP

- **Federal 3-year grant from the U.S. Department of Energy for DC, MD, VA, and WV**
- **Deployment of Level 2 and Level 3 Chargers**

EPA over \$5 billion for clean school buses

How You Can Help?

- **Become a Key partner and champion of the EV adoption**
- **Allow GWRCCC to attend monthly community meetings and events**
- **Recommend locations for parks, libraries, public housing, public buildings, community centers, shopping centers, hotels, etc.**
- **Expanding EV charging can help address rising fuel prices!**
- **Host Ride and Drives with GWRCCC**
- **Partner on Events**
- **Workforce Development Training**
- **Better planning for EV deployment**
- **Call us at 202-671-1580**
- **Email: antoinethompson@gwrccc.org**
- **Email: iradorfman@gwrccc.org**

Together we win!

Thank you for your attention and support!
