

**Clean Air Partners Activities Report  
For Commuter Connections  
July 16, 2019**

**Breathe Easy Summer Campaign:**

Clean Air Partners launched their summer campaign to educate residents on actions they can take to improve the region's air. This year's campaign sponsors are Commuter Connections, WGL, and SMECO.

**Press Event:**

The campaign was kicked-off with a press/awards recognition event at The Wharf in Washington, DC on May 22. The event featured a number of speakers and recognized student winners from the poster contest and science fairs.

**Clean Air Ambassador Tour:**

The Clean Air Ambassador tour kicked off on April 28<sup>th</sup> at Montgomery County GreenFest. During the tour, Clean Air Ambassadors will engage with the public to educate them on actions they can take to improve the air. Residents can win prizes such as transit passes, Jiffy Lube cards, or a pack of energy efficient products by signing up for Clean Air Partners' newsletter. A total of 12 events will take place across the Baltimore - Washington region.

#BreatheEasy Concert:

The #BreatheEasy concert promotion launched on June 17<sup>th</sup>. The promotion asked residents to tell us what they do to clean the air for a chance to win a pair of tickets to see Jennifer Lopez at Capital One Arena on July 17<sup>th</sup>.

Advertising:

Clean Air Partners successfully secured donated media with the following transit partners: ART, CUE, WMATA, MTA, DDOT, Prince George's County, Montgomery County, Frederick County, and MSS University Media. Ads will run July – September.

The campaign also includes 15 second traffic and weather sponsorships followed by a 15 second audio message on home energy use, driving cleaner, and reducing pollution at the pump.
