Re: Model 2.1D # 50

Dear Mr. Kirby:

We are writing on behalf of our clients, the Audubon Naturalist Society and the Chesapeake Bay Foundation, with regard to the updated model Version 2.1D #50. By this letter we are requesting that you provide to our consultant some basic information connected with the public release of travel model Version 2.1D #50 so that we may fully participate in the public process associated with this analysis. In addition, we request a full set of any other models used to calculate emissions for the air quality conformity findings to be released on October 1, 2004, including post-processor and Mobile 6 inputs.

If you have any questions about these requests, we encourage you to call us so that your response to these requests can be prepared as soon as possible. Please send your response to our clients' consultant via Federal Express. The name, address and account number is listed below:
