MEMORANDUM

TO: File

FROM: Andrew J. Meese, AICP
Systems Management Planning Director

DATE: September 25, 2007

SUBJECT: Rescheduling and Subsequent Cancellation of September 2007 MOITS
Joint Meeting

The regular Management, Operations, and Intelligent Transportation Systems (MOITS) Policy Task Force and MOITS Technical Subcommittee joint meeting originally scheduled for Tuesday, September 11, 2007, was cancelled due to a schedule conflict with the ITS Maryland Annual Meeting. It was then announced that the meeting was rescheduled to Tuesday, September 25, but subsequently schedule conflicts arose for that alternate date, and it was cancelled. Thus no MOITS meeting was held in September, and the next meeting was deferred to the next regularly scheduled meeting date on October 9.
