

TLC FY 2012 TECHNICAL ASSISTANCE PROJECT SOLICITATION

The Technical Assistance component of the Transportation Planning Board's Transportation/Land-Use Connections (TLC) Program provides focused consultant assistance to local jurisdictions working on creative plans and projects that integrate transportation and land use planning.

Application Process:

To apply, simply fill out the application form and attach:

- 1) A letter of endorsement from the jurisdiction's chief elected official or chief administrative officer.
- 2) A completed Project Overview form.
- 3) A brief description (1-2 pages) of the project: The scope and location of the project; the specific services requested; How the project will benefit the applicant's community and the National Capital Region; How your jurisdiction will address recommendations that may arise from the project; A short description of how the applicant has collaborated with other agencies in developing the application.

NEW! ***Optional Abstract Process for FY 2012:*** Applicants will have the option to submit an abstract of their project proposals midway through the project solicitation. The purpose is to allow the TPB staff to review an application concept and provide feedback before the applicant submits their final application. Feedback will include suggestions from staff on ideas for how to strengthen the project concept and create a more compelling application submission.
