

# SAVE THE DATE: DROUGHT MONITORING IN THE COG REGION

March 19 at 10:00 A.M. | Loudoun Water

## What

Please join us for a discussion on drought monitoring and response in metropolitan Washington. At this interactive regional workshop, you will learn about regional and state drought response plans, ICPRB CO-OP roles, technical tools to analyze drought conditions, and the triggers used to determine various drought stages. You will also have an opportunity to provide feedback about how existing drought response tools could be improved to better meet the needs of the region.

## When

Monday, March 19<sup>th</sup>, 10:00 A.M. – 3:00 P.M.  
Coffee, tea, and water will be available in the morning and lunch will be provided.
