Draft Activity Centers Strategic Development Plan (SDP)

10:10 a.m. – 11:10 a.m.

*COG Staff and Project Consultants
Committee members*

As called for in Economy Forward, the COG Board authorized funding for the Activity Centers Strategic Investment Plan (SIP) last year. Since that time, COG staff, consultants, and local government planning staff have been engaged in developing elements of the SIP, including place-based and people-focused typologies, and convening focus groups to review elements of the proposed Plan. COG staff and members of the consultant team will brief the Committee on the draft findings and recommendations from the SIP, and seek comments and recommendations in advance of their presentation to the COG Board at the August Board Work Session and Leadership Retreat, and the September Board Meeting.

Activity Centers Analysis Geographies

11:10 a.m. – 11:50 a.m.

COG Staff

Committee members

In January, the COG Board of Directors adopted the 2013 Regional Activity Centers Map and, during the March PDTAC meeting, the Committee approved the final technical modifications that included adding 2 additional Centers and minor name changes. COG staff has been working directly with local planning departments to develop the proposed analysis geographies for the Centers based on both Transportation Analysis Zones (TAZs) and Census geographies (tracts and block groups). The analysis geographies will be used to conduct transportation modeling and to perform economic and demographic assessments of the new Activity Centers. Staff will brief the Committee on this work and seek comments and suggestions in advance of a proposed final approval during July.

Other Business / Committee Roundtable
