

Meeting Highlights: TPB Technical Committee, May 3, 2019

The Technical Committee met on May 3, 2019 in the Ronald Kirby Training Center at COG. The following items were reviewed for inclusion on the TPB's May agenda:

- **TPB agenda item 7 – Approval of FY 2020 TLC Technical Assistance Recipients**
The TPB's Transportation Land-Use Connections (TLC) Program has provided support to local jurisdictions since 2006 as they deal with the challenges of integrating land-use and transportation planning at the community level. Staff solicited applications for the FY 2020 TLC round of technical assistance between February 1 and April 2. A selection panel was convened and recommended 13 projects for approval for funding in FY 2020. The board will be briefed and asked to approve these project recommendations.

- **TPB agenda item 9 – Recap of Federal Certification Review**
The committee was briefed on takeaways from the Federal Certification review which took place on April 10 and 11. Sandra Jackson, Federal Highway Administration, will brief the board at the May TPB meeting.
- **TPB agenda item 11 - Activities to Address Safety Challenges in The Region: Maryland Department of Transportation (MDOT)**
In January, the board approved Resolution R11-2019 to set performance-based planning and programming (PBPP) highway safety targets for 2019. As part of the resolution, the board requested that member DOTs report quarterly on their efforts to improve safety. In this third briefing, MDOT will provide an overview of Maryland's safety program at the May TPB meeting.

The following items were presented for information and discussion:

- **FY 2021-2026 TIP Update: Solicitation of Inputs and Air Quality Conformity Analysis**
The biennial update of the Transportation Improvement Program (TIP) is underway, which must include an air quality conformity analysis. The committee was briefed on the process, schedule, and requirements for an update of the Air Quality Conformity Analysis for the FY 2021-2026 TIP. There will be no financial plan update so only those projects that are already included in the Visualize 2045 Financial Plan or projects with demonstrated available and committed funding can be updated at this time.
