

Prince George's County Department of Public Works and Transportation

Keeping Prince George's County Moving

Regional Public Transportation
Subcommittee

Transportation Planning Board

November 26, 2019

Department of Public Works and Transportation

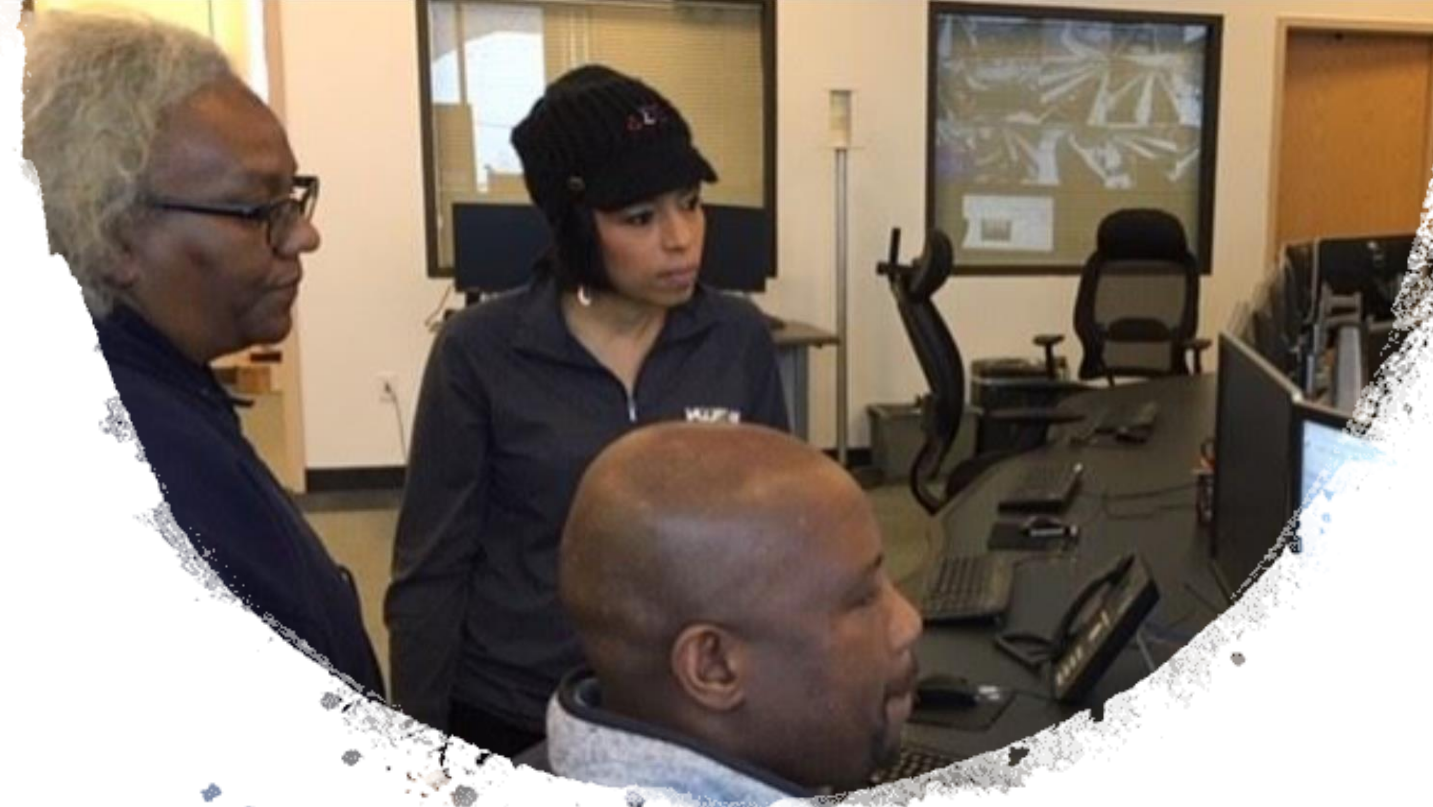

Director: Terry L. Bellamy

Deputy Directors:

- Gwendolyn T. Clerkley / Martin L. Harris

Offices

- **Office of Transportation**
- Office of Engineering and Project Management
- Office of Highway and Maintenance
- Office of Administrative Services

Office of Transportation

The Bus

- 28 fixed route system, using 78 vehicles
- Operate Monday to Friday
- 5:15 am to 8pm
- ~12k-13k passengers per day
- On-time performance: 75%

Call-A-Bus

- Transport seniors, deliver frozen meals, carry residents to dialysis appointments, using 40 vehicles
- Operate Mon-Friday, 8:00 am to 3:30 pm

Capital Bikeshare Program

- Launched program on June 1, 2018
- 14 locations (Largo Metro, PGCC, National Harbor, Mt. Rainer, Riverdale Park, Oxon Hill P&R lot, Wayne K. Curry Building, downtown Hyattsville)

Office of Transportation Initiatives

The Bus

- Operated on Independence Day
- Received 6 new ENC buses
- Won FTA LoNo Grant for 4 electric buses
- Awarded MTA grant funding for BRT study and Microtransit feasibility study
- Installed new 4 bus shelters at Oxon Hill P&R
- Started new blade sign installation for fixed bus stops (Routes 11, 16, 17, and 18)
- Started examining potential County neighborhoods for a microtransit pilot in partnership with Transloc – expected launch Spring 2020

Call-A-Bus

- Received 6 new Paratransit vehicles

Bikeshare

- Preparing to expand up to 10 locations in 2019 - TBD

Recent “The Bus” Initiatives

11

Adjusted timing in the afternoon to minimize clustering of service with the G12

12

Streamlined route to increase recovery time at West Hyattsville Station

36

Eliminated service to Charles County because VAN Go’s new route (Brandywine Connector) would provide overlapping service

53

Adjusted first trip to provide connection with the Route 21 in Upper Marlboro

DPW&T Future Projects

- New **third-party fixed route contract – starting July 1, 2019**
- Launch microtransit pilot project **starting in March 2020**
- Continue to **reduce advance reservation** time for Call-A-Bus
- **Update Bus Stop Signs** with Unique ID numbers to allow passengers to get real-time arrivals via text
- **Expand bikeshare** network
- **Advance recommendations** in Transit Vision Plan, Spring 2020, if approved
