- Plan elements
- How can the CAC help?

Questions

Can you please explain how travel monitoring and travel forecasting informs TPB and CAC actions?

Answer

- ## Travel Monitoring

  A variety of survey methods are used to measure system performance

- ## Travel Forecasting

  Models enable planners to forecast how travel behavior might change.

Questions

Has the TPB made any adjustments or changes to the long-range plan in response to the COVID-19 pandemic?

Has the TPB started any new work in response to the pandemic?

Questions

Who submits projects to the TPB to begin the Continuing, Comprehensive, and Coordinated process?

Questions

Do you have a cheat sheet that describes TPB functions?
