

## Meeting Highlights TPB Technical Committee – November 3, 2023

The Technical Committee met on Friday, November 3, 2023. Meeting materials can be found here: <https://www.mwcog.org/events/2023/11/3/tpb-technical-committee/>

The following items were reviewed for inclusion on the TPB's November agenda:

### **TPB AGENDA ITEM 7 – PBPP: TARGETS FOR TRANSIT SAFETY AND HIGHWAY SAFETY**

Staff reported to the Committee on the draft regional targets for the transit safety performance measures, including fatalities, injuries, safety events, and system reliability, and for the highway safety performance measures, including fatalities and serious injuries, as required annually under the federal performance-based planning and programming (PBPP) rulemaking for State DOTs, public transportation providers, and MPOs. The board will be briefed on the draft targets at its November meeting and asked to approve the regional targets at its December meeting.

### **TPB AGENDA ITEM 8 – 2023 ENHANCED MOBILITY GRANT PROGRAM APPROVAL**

Staff reported to the Committee on the solicitation and selection process for projects for funding under the Federal Transit Administration's Section 5310 Enhanced Mobility for Seniors and Individuals with Disabilities Program for the Washington DC-VA-MD Urbanized Area. A grant solicitation was conducted from August 1 to September 30, 2023. A selection committee is reviewing the grant applications and will recommend projects for funding. The board will be briefed in November and then asked to approve the recommended projects for funding and inclusion in the TIP at its December meeting.

### **TPB AGENDA ITEM 9 – VISUALIZE 2050 UPDATE**

Staff reported on public comments received to date and provided an update on the schedule for project inputs, project and financial details, submission status, and upcoming training(s) on entering information into the PIT.

The following items were presented for information and discussion:

### **NEW MOTOR VEHICLE EMISSIONS BUDGETS APPROVED BY MWAQC**

The Committee was briefed on updated motor vehicle emissions budgets (MVEBs) recently approved by the Metropolitan Washington Air Quality Committee (MWAQC).

### **NATIONAL CAPITAL TRAIL NETWORK UPDATE**

Staff provided the status report on the update of the National Capital Trail Network, one of the TPB initiatives of Visualize 2045.

### **REGIONAL RESILIENCY UPDATE**

Staff provided an update on regional transportation resilience planning program activities, specifically on progress to date on the Transportation Resilience Improvement Plan (TRIP).

### **Other Business**

- GIS Day Proclamation
- Update on CPRG
- Street Smart event recap
- November 2 TLC Webinar success
- Staff Update (staff)
