Changes - Redesignation Request & Maintenance Plan

- **Changes in response to EPA comments**
 - Added language to describe the safety margin/transportation buffer
 - Added language to address EPA comment on the District's River Terrace and Takoma Park ozone monitors
 - Added citations to the District's regulatory requirements and authority to implement control rules
 - Added an updated Appendix for Maryland's 2014 area/NEGU/MAR emissions development methodology
 - Added a language to clarify the use of TERMS in the Maintenance Plan
 - Added an Annexure to include a letter confirming VA's closure of Potomac Power Plant

Changes - Redesignation Request & Maintenance Plan

- Renamed section 6.2 to “Air Quality Issues and Contingency Measures”
- Rounded emissions to just 1 decimal place in both documents
- List of jurisdictions updated to include missing counties
- Updated the District’s 2014 area and MAR emissions and revised 2025/2030 emissions accordingly
 - Changes in VOC emissions - Architectural coating, graphic arts, consumer & commercial solvent use, portable gas cans
 - Changes in NOx emissions - Diesel railroad (linehaul)

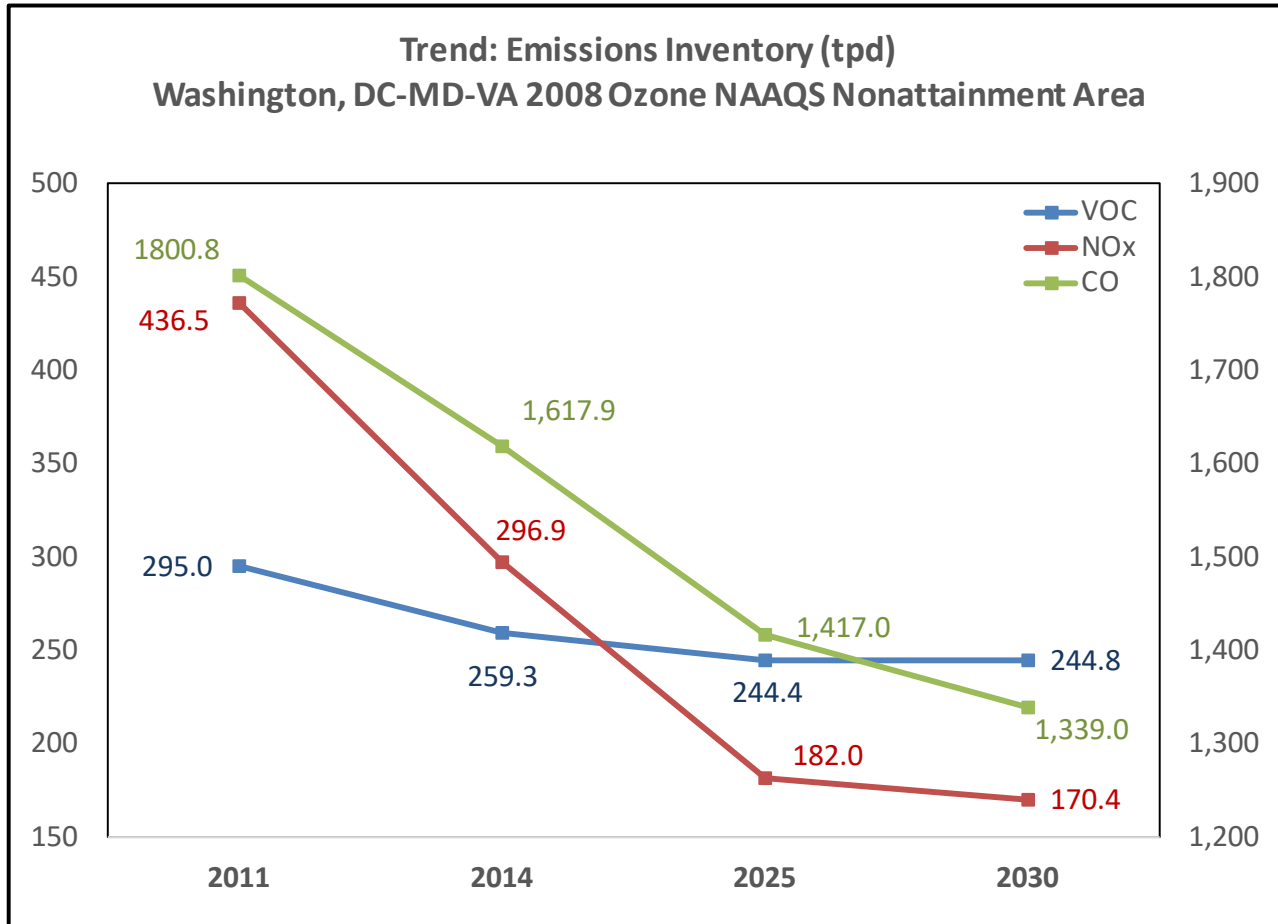

Difference in Emissions (tons per day)

	2014			2025			2030
