Subject: FY 2013-2018 Transportation Improvement Program Amendment
National Capital Region

Dear Chairman Turner:

The Eastern Federal Lands Highway Division (EFLHD), of the Federal Highway Administration, requests amending the National Capital Region's FY 2013-2018 Transportation Improvement Program (TIP) to designate funding for construction of the US Route 1 Widening Project through Fort Belvoir, Virginia. The project involves the widening and reconstruction of US Route 1 from the south boundary of Fort Belvoir north to Mount Vernon Highway (VA Route 235) to create a 6-lane, median divided arterial roadway for a distance of approximately 3.4 miles.

The project is included in the 2012 Constrained Long Range Plan and its air quality conformity analysis. An addendum to the FY 2013-2018 TIP table is enclosed. The proposed TIP amendment would acknowledge the construction activities being funded in the amount of about \$200M through the Defense Access Roads program of the U.S. Department of Defense. Representatives of EFLHD are available to attend the Transportation Planning Board meetings on December 19, 2012, and January 23, 2013, if necessary to answer any questions regarding this requested TIP amendment.

Upon approval of this amendment, please provide copies of the approval to Mr. Lewis Grimm, Planning Team Leader. Should you have any questions, please feel free to contact Mr. Grimm at 703-404-6289 or Lewis.Grimm@dot.gov. Thank you for your consideration of this request.

Sincerely,

Karen A. Schmidt
Director, Program Administration
