

Weatherization & Intergovernmental Program

Technical Assistance Project Application for Assistance

The TAP program is designed to help states, cities, and communities in crosscutting areas not currently covered by an existing DOE/EERE technology program.

For more information on TAP, visit our website at: <http://www.eere.energy.gov/wip/tap.cfm>

DATE REQUEST SUBMITTED:

CITY/STATE:

ORGANIZATION(S) REQUESTING ASSISTANCE:

1. Please identify the state or local governmental agency submitting the request:

ELIGIBILITY

2. There are eight topical categories TAP has defined that provide examples of appropriate requests. Indicate under what topic area(s) this request falls under.

- Category 1 - System benefit funds or other rate-payer funded utility energy efficiency and renewable energy programs
- Category 2 - Renewable portfolio standards, renewable fuel standards or efficiency portfolio standards
- Category 3 - Use of clean energy technologies for air pollutant and greenhouse gas emission reduction
- Category 4 - Use of renewable energy and energy efficiency on public lands and facilities
- Category 5 - Use of renewable energy and energy efficiency technologies for disaster relief, mitigation and planning
- Category 6 - State and regional energy efficiency and renewable energy assessment and planning
- Category 7 - Sustainable community and building design
- Category 8 - Clean energy financing mechanisms
- Category 9 - Other renewable energy and energy efficiency activities supported through DOE's State Energy Program. Describe:

PROJECT ASSISTANCE SUMMARY

3. Provide a summarized narrative describing the technical assistance being requested (please be as specific as possible):

PROJECT GOALS

4. Indicate the near and long term goals for this project:

5. How does this request relate to the topics listed under eligible categories?

CONTACTS

7. Who is the primary point of contact?

Name:
Phone:
E-mail:

9. If the requesting official is acting on behalf of a state or local governmental agency, please also provide the name and contact information of the state or local governmental agent providing that authority:

10. List other contacts individually:

Name:
Phone:
E-mail:

.....
Name:
Phone:
E-mail:

.....
Name:
Phone:
E-mail:

9. Is the State Energy Office (SEO) involved? Yes No

If so, please describe their role:

TAP strongly encourages communication with the State Energy Office and their endorsement.

TYPE OF ASSISTANCE & ESTIMATED LEVEL OF ASSISTANCE REQUESTED

10. Please indicate the type of assistance and estimated level of assistance you are requesting.

- Consultation
 - Phone
 - Email
 - On-site visit
 - Other (If checked please specify):
- Analysis
- Presentation
- Testimony
- Review of legislation and/or documentation
- Other (If checked, please specify):
- Uncertain

Any comments on type of assistance:

Estimated level of effort for assistance (hours, days)?

LAB & TECHNICAL PERSONNEL

11. Is there a request for a specific person and/or lab? Yes No

If yes, indicate:

TIMING

14. Indicate the preferred time schedule on this request:

When complete, please e-mail complete application to all individuals below:

Julie Riel: julie.riel@go.doe.gov (303-275-4866)

James Ferguson: james.ferguson@netl.doe.gov (412-386-6043)

Misty Dawn Conrad: misty_conrad@nrel.gov (303-384-7467)

Thank you for your interest in the DOE State and Local Technical Assistance Project.
