

# Safety Targets and Performance

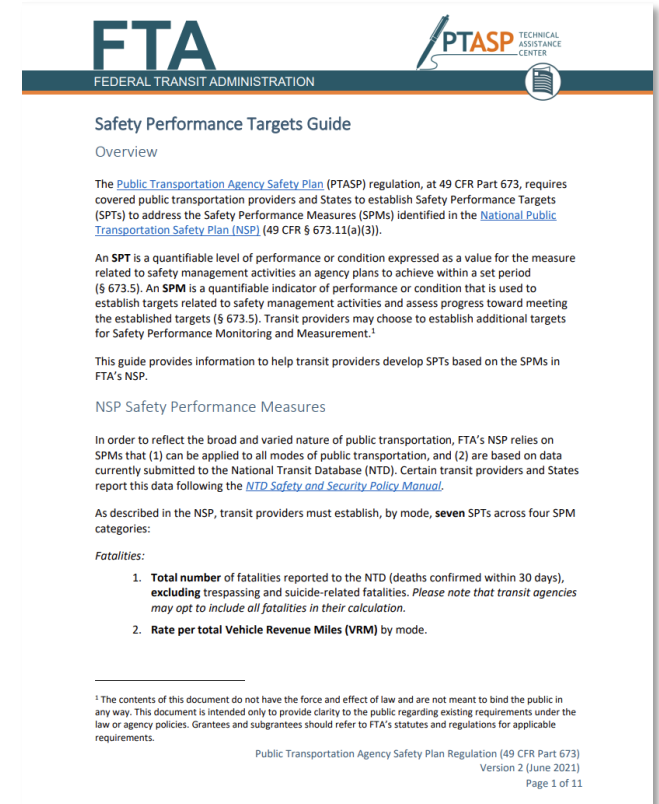

Washington Metropolitan Area  
Transit Authority

Jordan Holt  
DATE 11/15/2023

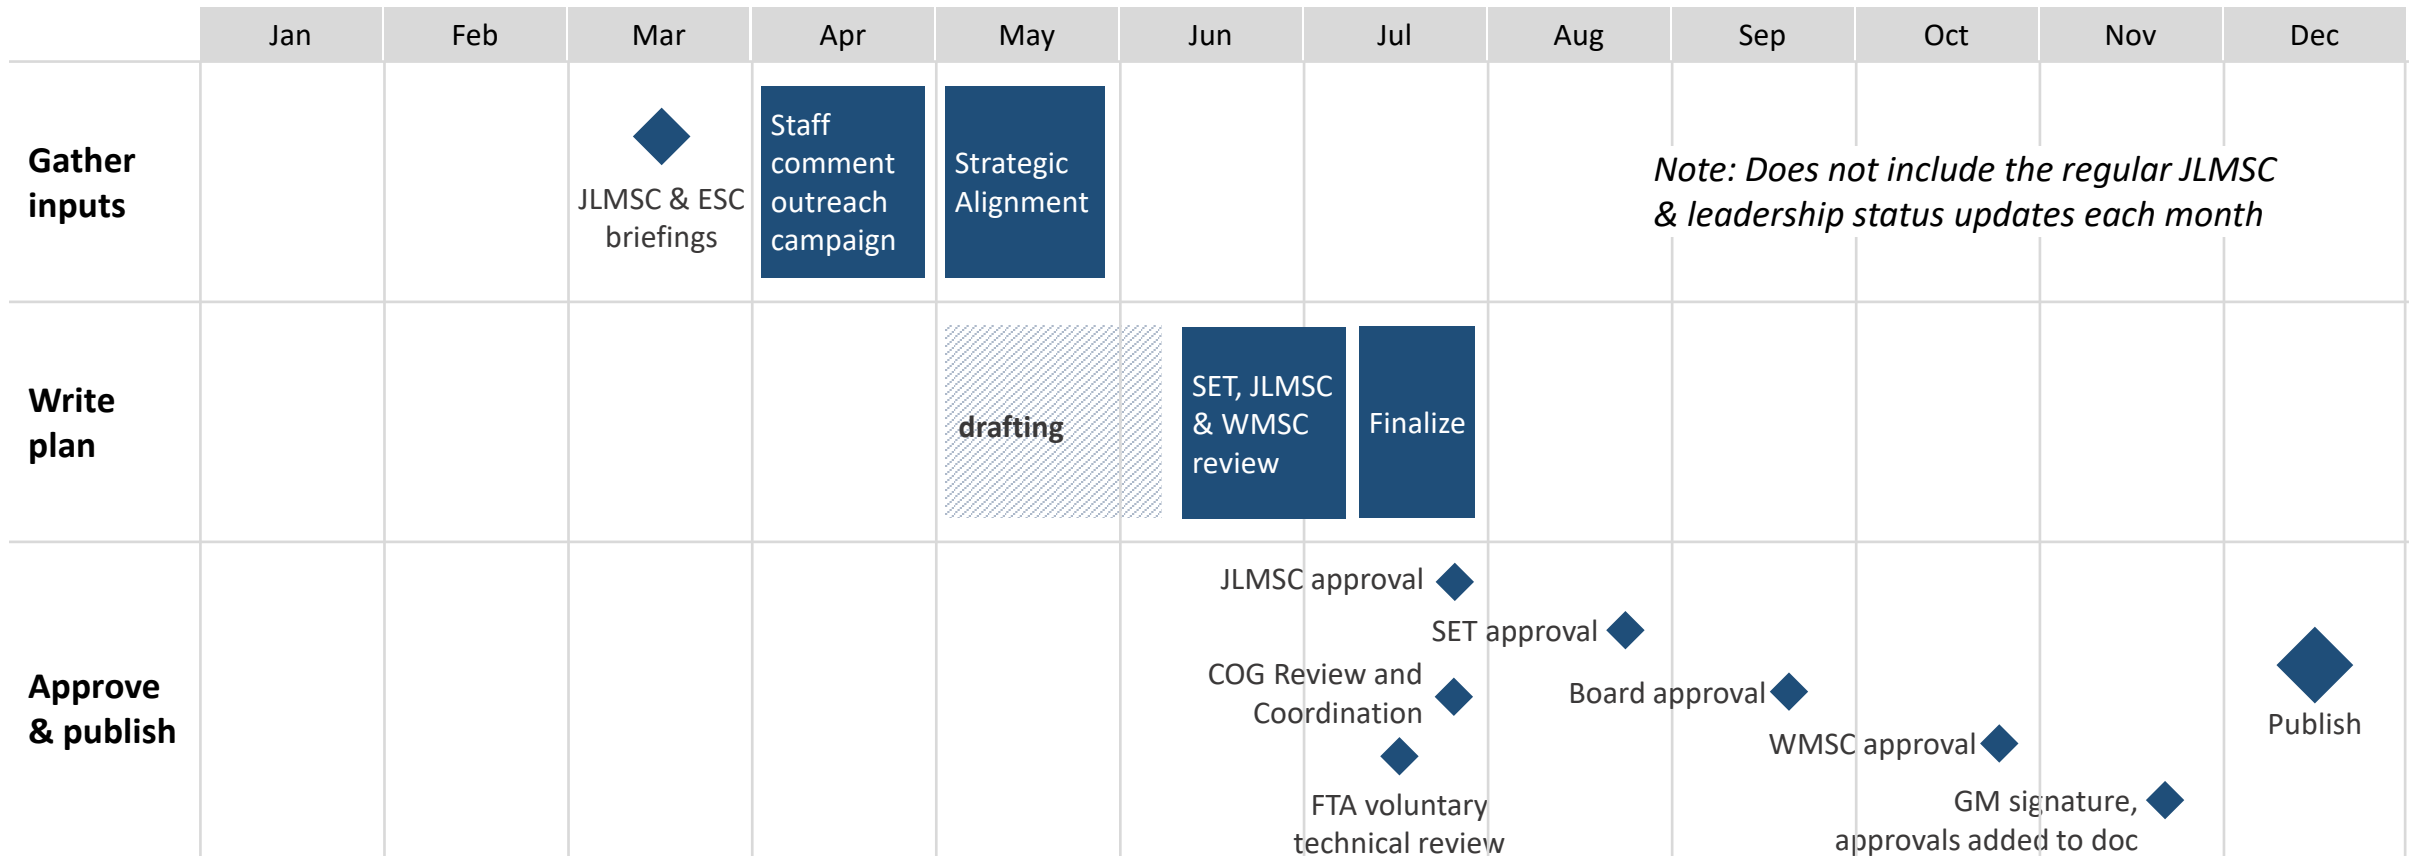

# Federal Requirements for Transit Agencies

- Set targets annually
- Use data-driven process
  - Establish a baseline of 3 years
  - Recommend a % improvement over the baseline using:
    - Peer benchmarks
    - Trend data
    - Actions, resources and risks
- Engage with Joint Labor Management Safety Committee (JLMSC)

# WMATA's Agency Safety Plan and Safety Target Timeline

JLMSC: Joint Labor and Management Safety Committee  
 ESC: Executive Safety Committee  
 SET: Senior Executive Team

# FY2024 Safety targets

# Rail Performance compared to peer agencies: 2018 - 2022

## 1 Rail – Collisions – Notable

## 2 Rail – Derailments – Notable

Peer agency performance range  
WMATA

## 3 Rail – Customer Injuries – Notable

## 4 Rail – Employee Injuries – Better than average

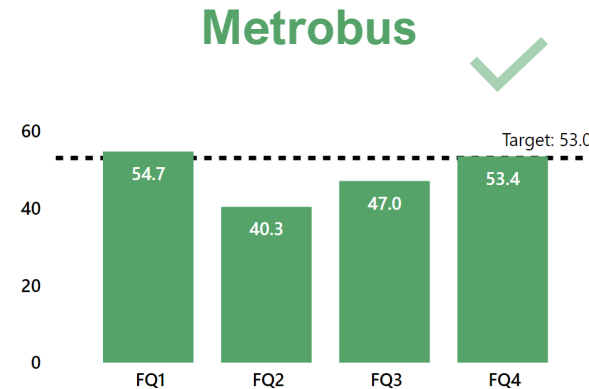

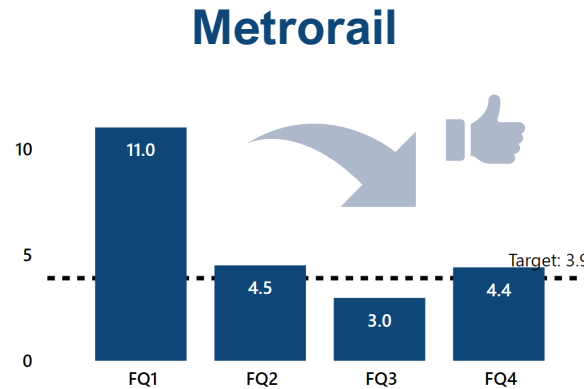

# FY23 Performance Results

Only 317 customer injuries out of almost 200 million trips in FY23; number of Metrorail customer injuries fell 25% compared to FY22

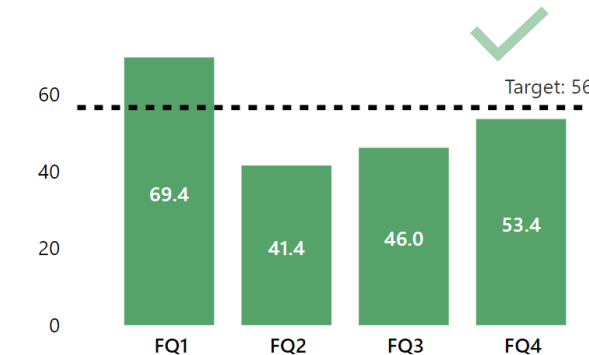

## System safety event rates

Fell by **60%** for rail and **68%** for MetroAccess from Q1 to Q4. Metrobus safety events met target in FY23

## Customer injuries

stayed **below Metro's performance threshold** for all modes for the last three quarters of the fiscal year

# FY23 Performance: Metrorail Customer and Employee Assault Rate

● **7.4** Rail customer and employee assaults per 10 million vehicle revenue miles, meeting target of no more than **10**

- 55 total assaults during FY23: 14 employee and 41 customer
- 15% decrease in number of assaults from FY22, with four fewer employee assaults

**678** Station Managers and Rail Operations Supervisors completed de-escalation training

# FY23 Performance: Metrobus Customer and Employee Assault Rate

● **14.3** Bus customer and employee assaults per 10 million vehicle revenue miles, missing target of no more than **10**

- 54 total assaults in FY23: 5 employee and 49 customer
- 50% increase in number of assaults from FY22, increase is entirely in customer assaults
- Employee assaults in FY23 DECREASED compared to FY22– there were 5 in FY23 and 9 in FY22

Deploying officers to locations with higher crime and routes with high ridership
