¹Indicates MSA-level Data

²The regional inflation rate is reported bi-monthly.

Over-the-Year – Compares the present month with same month last year. For example, Over-the-year Percent Job Growth in in December 2023 is the percentage change between December 2022 and December 2023 in the number of jobs.

At-Place Employment – The number of jobs within a given area. Although some employment data include the number of areas residents who have jobs, at-place employment counts the actual number of jobs in an area.
