				2010	x	x	x									x		x	x	x	x						Mailing system does not match system for data request. Mid-2011 cleanup scheduled. Frederick was billed out of a different system, should be merged by now. Govt info is part of commercial and residential, based on facility. Ie Bolling AFB will have some residential, but DC Govt would be commercial. Did not receive response on possibly teasing out separately after suggestion that they would look into it.
