PURPOSE

The Metropolitan Washington Council of Governments (COG) created the Climate and Energy Leadership Award to recognize organizations in the region for their pursuit of environmental opportunities and stewardship in line with greater regional greenhouse gas reduction goals. This program highlights and encourages leading practices in a broad range of climate solutions in the National Capital Region (NCR). Join the friendly competition!

RECOGNITION

Climate and Energy Leadership Awardees will be recognized in front of local, regional and national officials. Awardees will also be presented with a unique, environmentally-friendly award that is hand-crafted by a local artist.
