

NATIONAL CAPITAL REGION TRANSPORTATION PLANNING BOARD
777 North Capitol Street, N.E.
Washington, D.C. 20002

**RESOLUTION ON AN AMENDMENT TO THE FY 2017-2022 TRANSPORTATION
IMPROVEMENT PROGRAM (TIP) THAT IS EXEMPT FROM THE AIR QUALITY
CONFORMITY REQUIREMENT TO INCLUDE FUNDING FOR THE I-66 STUDY/ACCESS
IMPROVEMENTS (OUTSIDE THE BELTWAY) AND ARCOLA BOULEVARD (NORTHERN SEGMENT)
PROJECTS, AS REQUESTED BY THE VIRGINIA DEPARTMENT OF TRANSPORTATION (VDOT)**

WHEREAS, the National Capital Region Transportation Planning Board (TPB), which is the metropolitan planning organization (MPO) for the Washington Region, has the responsibility under the provisions of the Fixing America's Surface Transportation (FAST) Act for developing and carrying out a continuing, cooperative and comprehensive transportation planning process for the Metropolitan Area; and

WHEREAS, the TIP is required by the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) as a basis and condition for all federal funding assistance to state, local and regional agencies for transportation improvements within the Washington planning area; and

WHEREAS, on November 16, 2016 the TPB adopted the FY 2017-2022 TIP; and

WHEREAS, in the attached letter of June 28 and June 29, VDOT has requested that the FY 2017-2022 TIP be amended to release \$23.3 million in state, advanced construction (AC) funding, and add \$12.4 million in National Highway Performance Program (NHPP) funding from funding prior to the FY 2017-2022 period and add \$11.27 million in NHPP and \$7.34 million in Regional Surface Transportation Program (RSTP) funding to FY 2017 for the I-66 Study/Access Improvements project (TIP ID 6347); to remove two related projects (TIP IDs 6348 and 6568); and to include \$5.7 million in AC and \$1.7 million in NHPP funding in FY 2017 for the Arcola Boulevard (Northern Segment) project (TIP ID 6599), as described in the attached materials; and

WHEREAS, these projects are exempt from the air quality conformity requirement, as defined in Environmental Protection Agency's (EPA) Transportation Conformity Regulations as of April 2012, or are included in the Air Quality Conformity Analysis of the 2016 CLRP Amendment and the FY 2017-2022 TIP;

NOW, THEREFORE, BE IT RESOLVED THAT the Steering Committee of the National Capital Region Transportation Planning Board amends the FY 2017-2022 TIP to release \$23.3 million in state, AC funding, and add \$12.4 million in NHPP funding from funding prior to the FY 2017-2022 period and add \$11.27 million in NHPP and \$7.34 million in RSTP funding to FY 2017 for the I-66 Study/Access Improvements project (TIP ID 6347); to remove two related projects (TIP IDs 6348 and 6568); and to include \$5.7 million in AC and \$1.7 million in NHPP funding in FY 2017 for the Arcola Boulevard (Northern Segment) project (TIP ID 6599), as described in the attached materials.

Adopted by the Transportation Planning Board Steering Committee at its regular meeting on July 7, 2017.

RE: National Capital Region FY 2017-2022 Transportation Improvement Program Amendment for Arcola Boulevard construction, Loudoun County, VA (UPC# 111481)

Dear Ms. Newton:

The Virginia Department of Transportation (VDOT) requests an amendment to the FY 2017-2022 Transportation Improvement Program (TIP) to add funding for the construction of Arcola Boulevard between John Mosby Highway (US 50) and Loudoun County Parkway (VA 606) in Loudoun County, Virginia. This project will improve the north-south traffic movements in the southern part of the County and will provide a direct route to the future Metro Rail station at Old Ox Road. This is a new roadway with a four-lane cross section including bicycle and pedestrian facilities. The amendment reflects the Virginia Commonwealth Transportation Board's latest estimates and planned obligations. VDOT is adding approximately \$1.685 million in Federal National Highway Performance Program (NHS-NHPP) funding and approximately \$5.706 million in Advance Construction (AC) funding for planning and preliminary engineering (PE) in FY 17.

The project funding is consistent with the revenue projections VDOT provided for the 2014 CLRP Financial Element. This project is regionally significant for air quality conformity analysis. It is listed in the 2016 CLRP and the related Air Quality Conformity Analysis..

VDOT requests that this amendment be placed on the agenda of the Transportation Planning Board's Steering Committee at its meeting on July 7th, 2017. VDOT's representative will attend the meeting and will be available to answer any questions.

Thank you for your consideration of this request.

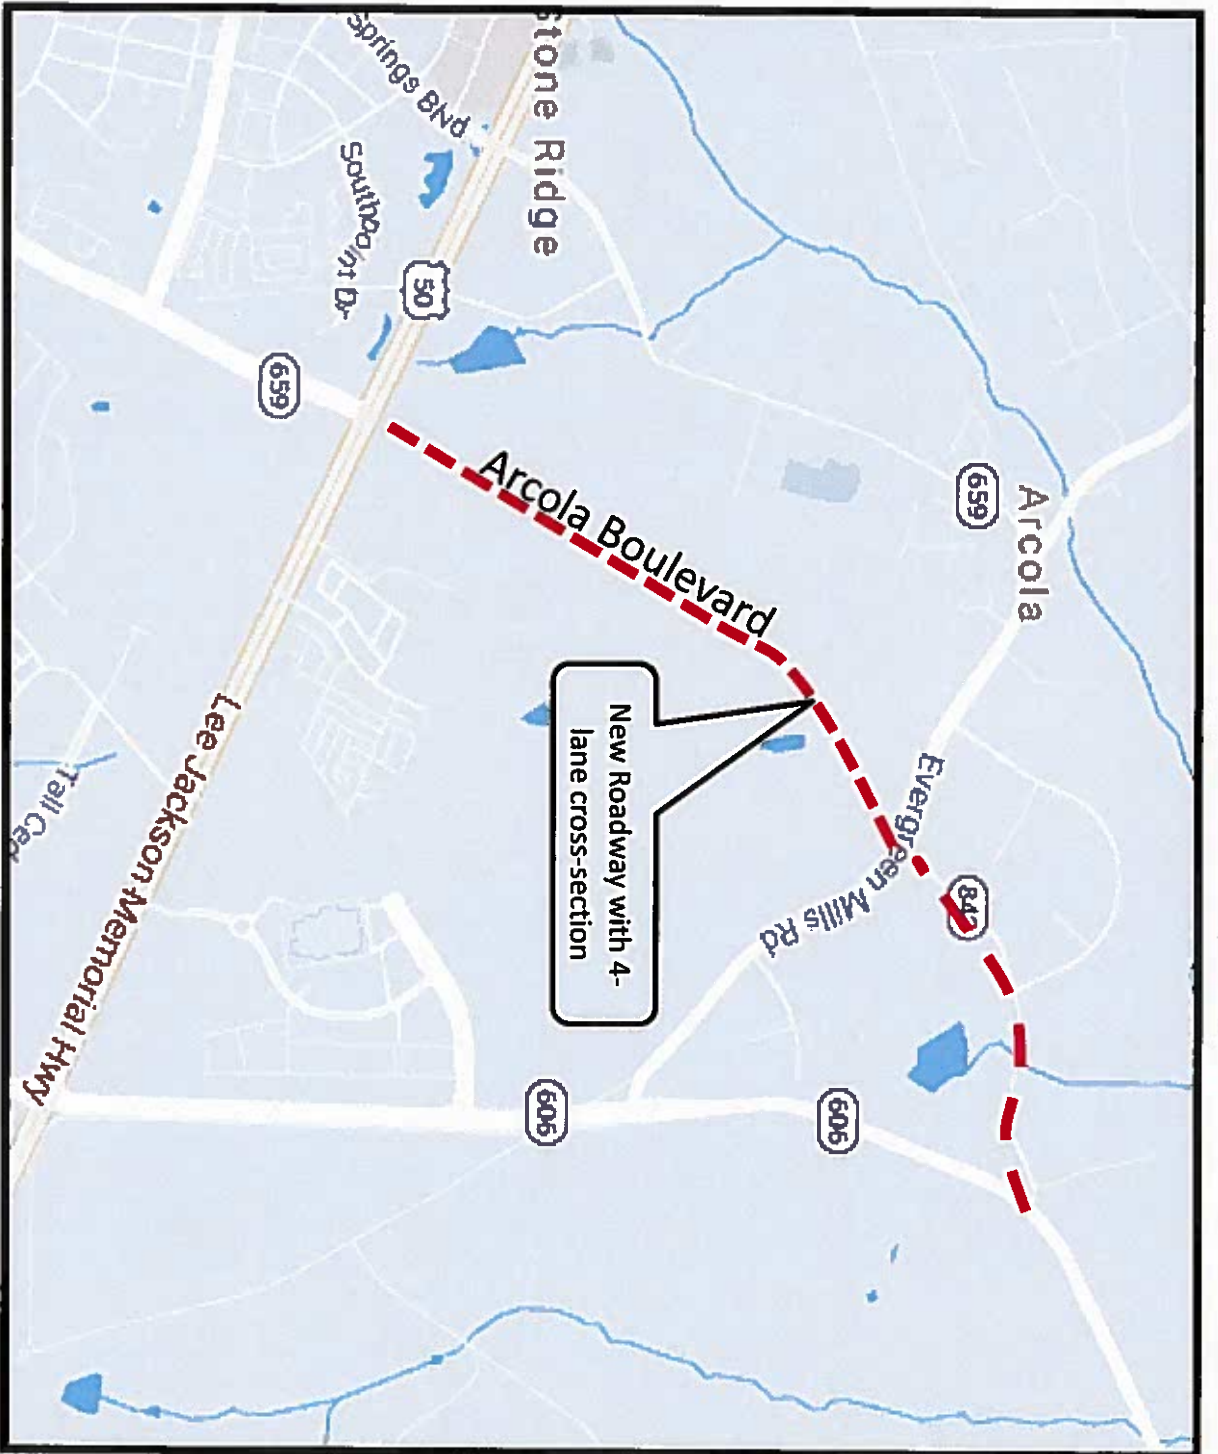

Sincerely,

A handwritten signature in blue ink that reads "Helen Cuervo".

RE: National Capital Region FY 2017-2022 Transportation Improvement Program Amendment for I-66 Improvements Outside the Beltway: P.E. (UPC# 54911)

Dear Ms. Newton:

The Virginia Department of Transportation (VDOT) requests an amendment to the FY 2017-2022 Transportation Improvement Program (TIP) to add funding for the Preliminary Engineering phase of I-66 Outside the Beltway (Between I 495 and US 15) in Fairfax and Prince William Counties, Virginia. This project will improve the congested east-west traffic movements on I-66. The amendment is based on actual obligations and current estimates approved by the Virginia Commonwealth Transportation Board.

This project is already listed in the TIP. The amendment modifies previous funding and also eliminates two related TIP entries: TIP ID #s 6348 and 6568. The amendment will release \$20,104,920 (AC-Other State), release \$2,684,644 (AC-NNPP/E), release \$500,000 (AC-NHPP) FFY15, add \$9,712,628 (NHPP) & \$2,674,071 (NHPPE/E) FFY15, add \$7,172,771 (NHPP), \$11,167,603 (NHPP/E), \$102,972 (NH), & \$7,338,122 (RSTP) FFY17. The net results of these releases and additions have been entered in the TPB's iTIP database.

The project funding is consistent with the revenue projections VDOT provided for the 2014 CLRP Financial Element. This project is regionally significant for air quality conformity analysis. It is listed in the 2016 CLRP and the related Air Quality Conformity Analysis..

VDOT requests that this amendment be placed on the agenda of the Transportation Planning Board's Steering Committee at its meeting on July 7th, 2017. VDOT's representative will attend the meeting and will be available to answer any questions.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in blue ink that reads "Helen Cuervo".
