The Honorable Bridget Newton, Chairperson
National Capital Region Transportation Planning Board
Metropolitan Washington Council of Governments
777 North Capitol Street N.E., Suite 300
Washington, DC 20002-4290

Dear Chairman Newton,

The District Department of Transportation (DDOT) requests that the National Capital Region Transportation Planning Board's (TPB) FY 2017-2022 Transportation Improvement Program (TIP) be amended to increase the funding amount for the Rock Creek Park Trail project. The TIP project listing for the project is attached.

The proposed amendment would add approximately \$5.5 million in Congestion Mitigation and Air Quality Improvement Program (CMAQ) funds for the construction cost of the project in FY 2017. The previous estimate for construction was \$5.5 million. The current estimate of the project is \$11 million. The major contributions for the increased cost estimate are as follows:

- 1) Commission of Fine Art's (CFA) revision of design and added more structure and more requirements;
- 2) Added scope - A retaining wall construction was added to the scope. This was requested by Eastern Federal Land at about 90% completion of design;
- 3) Added more lighting on trail requested by public; and
- 4) A more accurate cost estimate at end of design.

The proposed amendment does not add additional capacity for motorized vehicles and does not require conformity analysis or public review and comment. The funding sources have been identified, and the TIP will remain fiscally constrained. Therefore, DDOT requests that the TPB Steering Committee approve this amendment at its September 8, 2017 meeting.

We appreciate your cooperation in this matter. Should you have questions regarding this amendment, please contact Mark Rawlings at (202) 671-2234 or by e-mail at mark.rawlings@dc.gov. Of course, feel free to contact me directly.

Sincerely,

James Sebastian
Associate Director, Planning and Sustainability Division (PSD)
