Director

The Honorable Bridget Donnell Newton, Chair
National Capital Region Transportation Planning Board
Metropolitan Washington Council of Governments
777 North Capitol Street, N.E. Suite 300
Washington, D.C. 20002

Dear Chairman Newton:

Montgomery County Department of Transportation requests the following amendment to the suburban Maryland portion of the National Capital Region Transportation Planning Board's (TPB) FY 2017-2022 Transportation Improvement Program (TIP) to update the capital costs and schedule for six bridges currently in the 2017-2022 TIP and to add a bridge replacement to the TIP.

The Montgomery County bridge TIP program updates are the Beach Drive Bridge, Brink Road Bridge, Garrett Park Road Bridge, Gold Mine Road Bridge, Park Valley Road Bridge, Piney Meetinghouse Road Bridge, and Bridge Renovation Project. The new bridge project to be added to the TIP is the Dennis Avenue Bridge replacement project.

The Dennis Avenue Bridge project replaces an existing 30-foot span structure bridge constructed in 1961 with a 75-foot span structure to provide a wider opening intended to mitigate frequent flooding of residential properties and local roadways.

Montgomery County Department of Transportation requests that this amendment be approved by the Transportation Planning Board Steering Committee at its October 6, 2017 meeting.

Thank you for your cooperation in this matter. Please contact Mr. Gary Erenrich, Special Assistant to the Director at (240)777-7156 or gary.erenrich@montgomerycountymd.gov if you have any questions.

Sincerely,

Christopher Conklin, Deputy Director
