4. VISUALIZE 2045 PEDESTRIAN AND BICYCLE INITIATIVES

John Swanson, COG/TPB

Mr. Swanson will brief the Subcommittee on a package of pedestrian and bicycle initiatives that have been identified for inclusion in the unfunded aspirational element of Visualize 2045, the TPB's long-range transportation plan scheduled for approval in 2018.

This package includes two components: The completion of the National Capital Trail (previously known as the Bicycle Beltway) and the prioritization of access improvements to Metrorail stations.

1:45 P.M.

5. RIDE REPORT BICYCLIST/PEDESTRIAN DATA

Michael Schwartz, Director of Transportation Planning, Ride Report

Ride Report is a bicycle data collection, TDM, and encouragement company, with cities and public agencies as their primary customers. They have developed an app that automatically figures out when a person starts and stops biking, making it easy to log trips, rate rides, and participate in team TDM programs and team bike challenges. The overview presentation will focus on potential applications and ongoing data collection for planning and evaluation
