

PCAP Project Submission Instructions

COG is seeking input on Project Concepts for the CPRG program to help inform the priority measures for the PCAP. These submissions are not intended to be used directly by COG for preparing a CPRG competitive application, but could be used by members, or coalitions, as the starting point for a proposal as desired.

To submit project ideas please respond to [this survey](#). You may also submit project ideas by filling out the Word or Excel documents under "Other Documents" on [this webpage](#) and sending it to aboggs@mwkog.org. Submit multiple project ideas by filling out the document or responding to the survey for each project.

Please complete the survey to the best of your ability, any level of detail you are able to provide is welcome. COG can assist in further developing the necessary details.
