Mr. Gallagher will present the results of COG's instream trash monitoring for the Anacostia Watershed.

- 11:15 A.M.** **7. ANACOSTIA TRASH REDUCTION WORKGROUP UPDATE**
Michelle Kokolis, COG Anacostia Executive Watershed Manager
- Ms. Kokolis will provide an update of the progress made to date by the workgroup. Her presentation will include an overview of the metrics that have been developed for volunteer trash cleanups as well as the next steps the group will be taking.
- 11:40 A.M.** **8. DEPARTMENT OF SMALL AND LOCAL BUSINESS DEVELOPMENT CLEAN TEAMS**
Saba Fassil, District of Columbia Department of Small and Local Business Development, Sr. Policy Analyst
- Ms. Fassil will provide an overview of the Clean Team program focusing on how the program is funded and the impact the Clean Teams are having on trash reduction within DC. Grant recipients will also be on hand to talk about their experiences participating in the Clean Team program.
- 12:00 P.M.** **9. SENSE, REPORT, ACT, REFINE: A SMART WASTE SOLUTION**
Scott Pomeroy, DowntownDC Business Improvement District Directory of Sustainability Initiatives
- Mr. Pomeroy will give an overview of the Smart City Collaboration project. The goal of the project is to identify ways to use DowntownDC Business Improvement Districts (BID) personnel and equipment more efficiently as they perform the daily operation of emptying the waste and recycling bins in the BID's service area. The projects will utilize a combination of the latest sensor technologies, condition reporting by individuals, and big data analysis tools to document baseline conditions, optimize timing and frequency of daily service routes, and anticipate the impact major events and activities that regularly occur downtown have upon the daily service routes.
- 12:15 P.M.** **9. MEMBER UPDATES**
All Membership
- At this time any member present will be given the floor to introduce any new initiatives or projects they would like to share with the members.
- 12:30 P.M.** **10. ADJOURN AND LUNCH**

The next meeting is scheduled for February 23, 2017.
