

REGIONAL TREE CANOPY MANGEMENT SUBCOMMITTEE

Tuesday, September 17, 2019
10:00 - 2:00 P.M.
COG Training Center, First Floor

AGENDA

Lunch will be provided for all participants

This is the second meeting of the Regional Tree Canopy Subcommittee under the Climate Energy, Environment and Policy Committee tasked to implement strategy recommendations from the Regional Tree Canopy Management Strategy of May 2018. This meeting will focus on two critical aspects of regional tree canopy management: setting tree canopy goals for major land uses; and, identifying important legislative strategies, critical ordinance components, and the desirable outcomes of tree conservation regulations.

You are invited to participate in discussions centered around these subjects and in the development of recommendations which will be forwarded to the Climate Energy, Environment and Policy Committee. Your participation is greatly appreciated.
