**Re: Request for MWCOG Version 2.1D Model and Related Data Sets**

Dear Mr. Kirby:

In support of our Department's ongoing effort to transition to and validate the latest available version of the MWCOG travel demand model, this letter requests a copy of the items referenced above -- including 1994, 2000 and 2030 highway and transit networks; as well as input, control, and supporting TP+ script files. Our intent is use this tool to support County-focused planning applications.

Please use funds available in our Department's Maryland-DOT service account to support the cost of providing these items. Your kind attention to this matter would be greatly appreciated. Should you have any questions concerning this request, please contact me at 301.495.4632 (phone) or [eric.graye@mncppc-mc.org](mailto:eric.graye@mncppc-mc.org) (e-mail).
