

Metro's Platform Improvement Project Summer 2021

COMMUTER CONNECTIONS
SUBCOMMITTEE

July 20, 2021

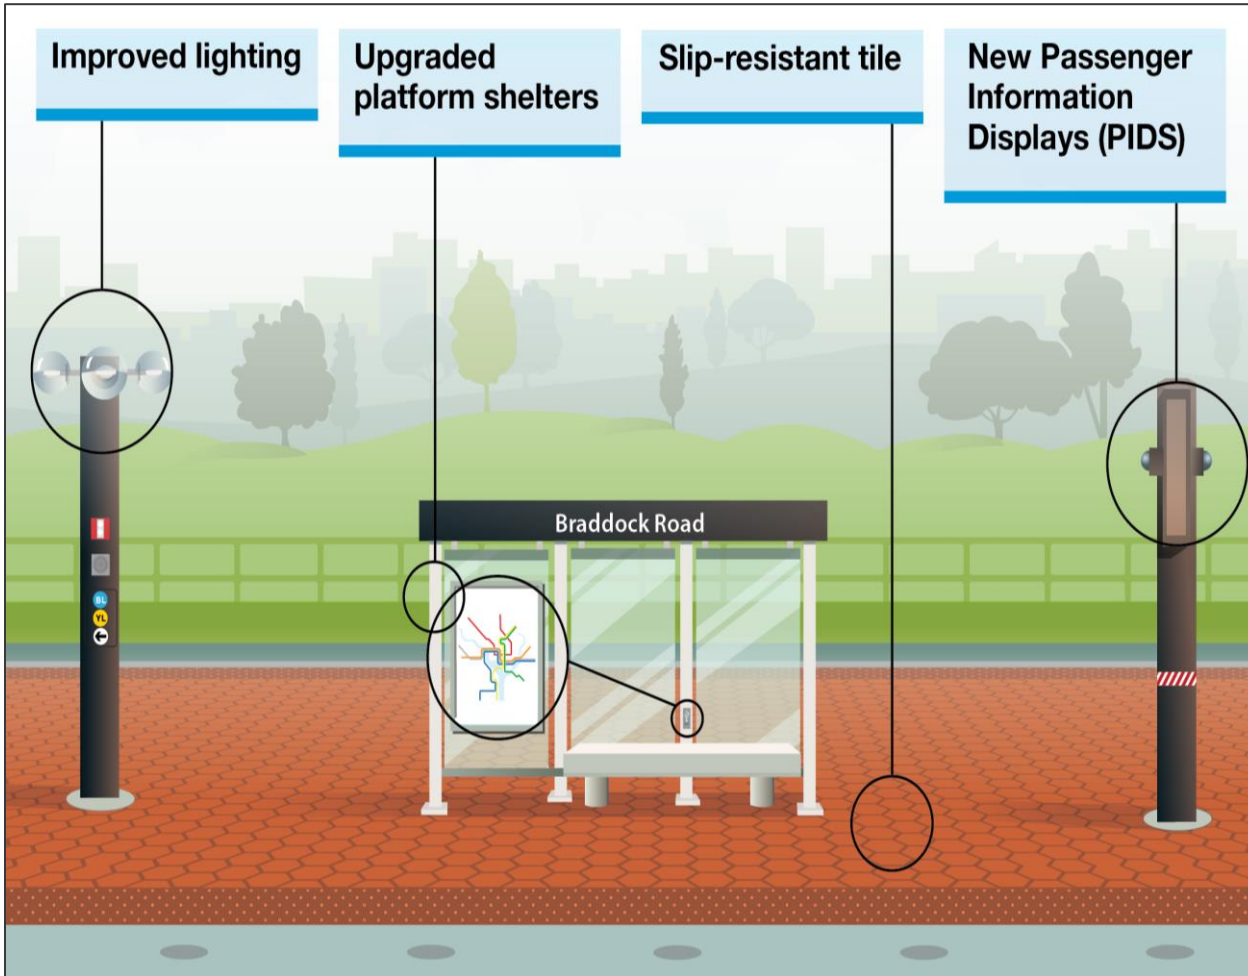

State of the Platforms

- Concrete platforms have been exposed to weather and de-icing agents for decades
- Platforms built 35-40 years ago are now deteriorating
- Necessary for safety and accessibility
- Systemwide project to repair platforms at 20 stations: More than 50% of overall project completed
